## Principal's Report

---

Good morning.

I too would like to acknowledge the traditional owners of the land, the people of the Wiradjuri nation, and pay my respects to Aboriginal leaders, past, present, and emerging. We recognise that learning has occurred here for thousands of years and continues to this day.

Thank you for everyone able to join online with us as we recognise the achievements of our students. And to our students in the MPC or in classrooms.

Welcome.

2020

A different year, forcing us to live this year differently to any before us. This assembly, like so many other things, impacted by the understanding of keeping us safe.

As the principal, I have seen the impact this year has had on so many of our staff, students, families. When I spoke last year at this event, I spoke about taking feedback from reports and the year that was, making a difference no matter what other people's limits were of students and the importance of taking on the opportunity's life gives you.

In 2020, when so much seems to be taken away, I reflect on what it has given people.

Time – we found at school, time to teach without a multitude of excursions or other distractions. Time to improve our technology skills. Time for families to spend together. Time for people to reflect on what is important to them and what they want to do with their time.

2020 also gave us appreciation. Appreciation for others and what they can do to support you. I thank the students and their families for their work with us. I appreciate the way so many families worked with us. I thank families for their appreciation of our school. Many were the messages of support and thanks as we worked on this together.

2020 gave us the opportunity to show resilience, to develop skills in perseverance, to support others when it got tough.

2020 gave us the chance to think of education differently. How could we support learning in different ways? What could June HS look like if we try education a different way?

We are in the planning stages of our new school improvement plan. Thank you for those that completed surveys and helped us gather information about what we want June HS to look like, how we want learning to be, what the focus of learning should be.

As we consider how we put our vision of Empowering learners to achieve their personal best in a dynamic and inclusive learning environment.

So, I look forward to next year, knowing that the gifts of 2020 will deliver us an improved 2021 – our resilience, our appreciation, our time, to make next year better. With laptops available for all students, with increased opportunities for tutoring and support from staff for learning, for a range of learning opportunities to enhance student's growth and development.

For today, Congratulations to those we recognise. Well done.

On behalf of students and staff, I thank the dedicated people in our school community making a difference: P&C, volunteers, June Shire Council, June Police, June Community Power, Lions Club, Rotary Club, View Club, June Business & Trades, GEO Group Australia, Men's Shed, Illabo Motorsports, Christian Education Committee, our SRE teachers, local businesses and community members and importantly, our families! The generosity, contribution, support, and care for our school is important and very much appreciated. The

opportunities local businesses give our students in work experience, work placement as well as School-based apprenticeships and traineeships is valuable and appreciated.

Thank you also to my friends and partners in education, our Ngumba-Dal Learning Community. Thank you for the support and collegiality, working with us and all our students.

Thank you to the wonderful people of this school. Our Executive leaders, teachers, Year Advisors, Learning Support Officers and School Administration staff.

Thank all for the staff for their hard work in putting this event together today, especially Elaine Bunyan, Tash Harpley, Robin Asmus, our Year Advisors, and our staff for recognising students. Thank you also to the students involved in the setup of sound for this event.

On behalf of the staff of Junee HS, I thank you again for joining us today to help us celebrate our 2020 achievements. Thank you, parents, and community members, for supporting our school, working with us on this journey of teenagers and learning.

I now have the privilege of announcing the Winning House in our Honours System. Students have accumulated points all year for their various endeavours. These awards here to today contribute, as does attendance awards, fast & frequent tickets, assisting at carnivals, plus a multitude of things they have done that have contributed to the school year by Being their best, being respectful and being responsible.

I call upon House captains for Gwynne, Brooke and George to accept the trophy.

Our next Honours Assembly will be held early Term 1, recognising students in this second part of the year who have moved up an Honours System level.

In week 8, we held a special assembly to recognise NSW Director Educational Leadership recognition awards. I congratulate the following for the awards, and pass on my thanks for receiving an award as well.

NAME: Rhonda Heffernan

Rhonda has contributed greatly to public education in many ways, significantly in Learning Support and professional learning.

NAME: Elaine Bunyan

Elaine has contributed greatly to public education in many ways, significantly in careers education and administration in an extremely challenging year.

NAME: Junee Shire Council

Junee Shire Council has contributed greatly to public education in many ways, significantly in careers education, recreation opportunities and School-Based Traineeships.

I wish you all a merry Christmas, a safe and rewarding new year and a restful holiday. God bless.

Thank you.

Mr Scott Frazier

## P&C Report

---

The P&C committee would like to congratulate Mr Frazier, the Junee High School Staff, Students and Parents/Carers for their efforts during 2020 to continue to deliver learning through a difficult year.

With the challenges came an introduction to technology for some of us, including our P&C meetings held via Zoom link.

2021 is coming fast and we will need to be back into the swing of fundraising, so we can support our fantastic students and school through what we hope is a more 'normal' year. New members are always welcome. We look forward to seeing new faces in 2021.

We would like to wish you all a wonderful Christmas, a safe break, and a healthy happy New Year.

Mrs Teri Edson  
President  
Junee High School P&C

### BOOK WEEK 2020

## The Mark Everett Awards

The Everett Award is named in honour of Mark Everett (Junee High School Principal, (1993-1999) who was recognised for his devotion to the school and community, fierce determination to recognise student success, and a most generous spirit.

The Everett Award recognises a student's outstanding achievement in one of the three principles for student success: Be Your Best – Be Responsible – Be Respectful.

At the Principal's discretion awards may be presented to students in each year group in each calendar year.

This year Junee Prime Lamb have sponsored each award recipient with a \$50 Book Voucher.

## Advance Australia Fair

---

Australians all, let us rejoice  
 For we are young and free  
 With golden soil, and wealth for toil  
 Our home is girt by sea  
 Our land abounds in nature's gifts  
 Of beauty rich and rare  
 In history's page, let every stage  
 Advance Australia Fair  
 In joyful strains then let us sing  
 Advance Australia Fair
