### Principal's Report

---

Junee High School enjoys high levels of community support from local businesses and farms and provides all the advantages and opportunities of a small regional comprehensive high school. We draw students from the township and surrounding farms and villages. The current student enrolment is 259 students of which 19% identify as Aboriginal and or Torres Strait Islander.

Junee High School has strong links with its partner primary schools, Junee Public School and Junee North Public School, through the successful Ngumba-Dal Learning Community. The schools share professional learning, staff and student visits and combine for several community events., in conjunction with a strong transition program for students into Year 7. Effective transition programs for Year 10, 11 & 12 students also support their movement into further study, work opportunities.

Teaching staff are supported with a range of professional development programs and School Learning Support Officers in many classes to aid learning, providing targeted group and individual instruction. Junee High School has embraced the Bring Your Own Device for online learning. The preparedness of the staff of Junee High School to embrace innovative teaching and learning practices provides opportunities for all our students to achieve their best in a supportive environment. Junee High School has established a Support Unit, with three Multi-Categorical classes. A strong Learning & Support team also support a range of students in mainstream classes, with a key feature the addition of ex-students as staff members.

There is a range of student subject options, with Stage 5 & 6 electives at school in conjunction with options for study with TAFE, Aurora College, and distance education providers. Several students undertake work placements and work experience in addition to approximately 10 students each year involved in a School based Apprenticeship/ Traineeship (SBAT).

Junee High School provides a large range of extra-curricular opportunities, including camps, surf trip, snow trip, sporting team competitions, visits to businesses and cultural sites in addition to students assisting at local school and community events. Wellbeing is important for staff & students, with Positive Behaviour for Learning (PBL) and associated Honours System an integral part of school practices.

### P&C Report

---

The P&C committee would like to welcome Mr Hamilton to the High School and Junee Community. Thank you to the school staff for supporting the students through another year with periods of Home Learning and disruptions.

Again, the challenges came with the use of technology for our P&C meetings held via Zoom link.

2022 is coming fast and we will need to be back into the swing of fundraising, with the past 2 years affected by the restrictions on what we can organise.

We need some new faces and new ideas so we can support our fantastic students and school through what we hope is a more 'normal' year.

We would like to wish you all a wonderful Christmas, a safe break, and a healthy happy New Year.

*Mrs Teri Edson*  
President

## The Mark Everett Awards

---

The Everett Award is named in honour of Mark Everett (Junee High School Principal, (1993-1999) who was recognised for his devotion to the school and community, fierce determination to recognise student success, and a most generous spirit.

The Everett Award recognises a student's outstanding achievement in one of the three principles for student success: Be Your Best – Be Responsible – Be Respectful.

At the Principal's discretion awards may be presented to students in each year group in each calendar year.

This year **Junee Prime Lamb** have sponsored each award recipient with a \$50 Voucher.

Australians all, let us rejoice  
For we are young and free  
With golden soil, and wealth for toil  
Our home is girt by sea  
Our land abounds in nature's gifts  
Of beauty rich and rare  
In history's page, let every stage  
Advance Australia Fair  
In joyful strains then let us sing  
Advance Australia Fair
