Zach Diggins Perpetual Shield for Creative and Performing Arts

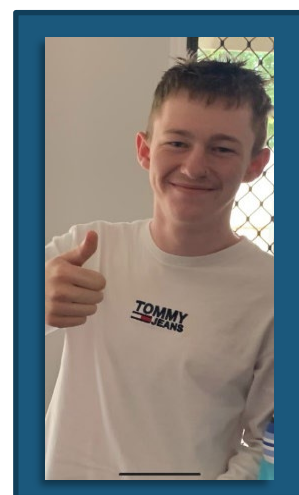

In 2022 we are proud to present the inaugural Zach Diggins Creative and Performing Arts Award. Zach attended Junee High School from 2017 and would have been in the 2022 graduating class.

He made significant contributions to the JHS community through DJing the school ball, rocking the school with Friday Beats and when performing in the JHS Production.

Zach is remembered for his determination, his love for his friends and family and we will miss him dearly.

We would like to thank Michael, Lisa, and Rhys for being here tonight to present the award and for donating a \$100 gift card to our recipient.

Congratulations: **Lachlan Wishart**

Principal's Report

Good evening special guests, parents, students, and the wider Junee community as we celebrate the achievements of 2022. I would like to begin by publicly thanking all those people involved with Junee High School throughout the year, where we continue to enjoy high levels of community support from local businesses who provide many advantages and opportunities for our school.

Junee High School has continued to build on the strong links with its partner primary schools, Junee Public School and Junee North Public School, Illabo Public School, and Eurongilly Public School, through the Ngumba-Dal Learning Community. I acknowledge the strong work done across this network. We can share professional learning experiences for staff and student transition visits and share in several combined community events.

The Presentation Night is the culmination of the year's hard work and recognition of the highlights. I congratulate each one of you that have excelled across the school, regardless of what pursuit and hope to see more of these improvements and students excelling through 2023. As a school, we have continued to provide a range of subject options and electives at school in conjunction with options for study with TAFE, Aurora College, and distance education providers. We have a strong commitment to supporting post-schooling options for students through work placements and work experience in addition to School Based Apprenticeship/ Traineeship (SBAT).

Junee High School's provision of extra-curricular and Wellbeing opportunities through 2022 included Yr 7 camp, Rewards surf trip, and a special visit from South Sydney Rugby League team players, Latrell Mitchell and Cody Walker with ABC Play School star, Luke Carroll MC'ing the day. We continued to participate in sporting team competitions, a fantastic NAIDOC Day celebration and visits to businesses and cultural sites, in addition to students assisting at local school and community events. Wellbeing is important for staff and students, with Positive Behaviour for Learning (PBL) and associated Honours System an integral part of school practices.

In closing, I would like to congratulate every student who is recognised today, demonstrating how they have shown improvement in specific areas of their schooling this year. Thank you to the parents and community of Junee who continue to support the school and I whole heartedly wish everyone a very safe, restful and Merry Christmas and a truly prosperous new year.

*Mr Darren Hamilton
Principal*

The Mark Everett Awards

The Everett Award is named in honour of Mark Everett (Junee High School Principal, 1993-1999) who was recognised for his devotion to the school and community, fierce determination to recognise student success, and a most generous spirit.

The Everett Award recognises a student's outstanding achievement in one of the three principles for student success: Be Your Best – Be Responsible – Be Respectful.

At the Principal's discretion awards may be presented to students in each year group in each calendar year.

This year **Junee Prime Lamb** have sponsored each award recipient with a \$50 Voucher.

Victor Chang Award: The Victor Chang School Science Awards were developed to foster and encourage an interest in science among secondary school students, with the aim of promoting careers in science as a viable and interesting career path

Rueben F Scarfe: The Rueben F Scarfe award is awarded to a Year 10 student to recognise and honour consistent effort and desire to improve.

ANSTO Science Medals - ANSTO as one of Australia’s leading science and technology organisations, ANSTO aims to encourage students to participate in science activities and recognises students with a medal and gift card for their achievements. They provide two science awards per school to recognise the most outstanding female and male students who have displayed an aptitude and interest in science.

Good evening Mr Hamilton, staff and students,

I would like to take this opportunity to extend a huge congratulations to all the students at Junee High School on finishing another year of education.

I commend the teachers, staff and parents for their guidance and support to the students throughout the year.

A special mention of congratulations to the school leaders for 2022. I wish you the best of luck as you head off to start high school in the new year.

With so many school communities impacted by the floods this year, I would like each of you to take a moment and reflect on the various challenges you might have faced this year and how you worked to overcome them. Always remember to be kind to one another as you never know what challenges someone else is facing.

Enjoy your presentation ceremony, with so many of you being recognised for your accomplishments. I am sorry I could not join you and I hope to see you all in 2023. Have a wonderful and safe Christmas and New Year.

Best wishes,

Steph Cooke
