## Principal's End-of-Year Address

---

Good evening, and a warm welcome to each of you gathered here tonight. Before we embark on this celebration of achievements, let us take a moment to acknowledge the enduring spirit of the Wiradjuri Country, the ancient land on which we stand. We pay our respects to the rich heritage of learning that spans millennia and extend our recognition to all Aboriginal people, especially our emerging young leaders among the students and those who contribute to our school community.

I extend a heartfelt welcome to our special guests, esteemed parents, the broader Junee community, and, most importantly, to the exceptional students gracing this occasion. Your presence here tonight is a testament to the dedication and excellence that each of you embodies. Behind every student's success, there is a network of support—families, communities, and local businesses—all integral to the educational journey undertaken throughout the year.

A special acknowledgment goes out to the incredible families, individuals, and organisations that have generously provided scholarships, donations, and gifts for our perpetual trophies. Their unwavering commitment ensures that countless students have the opportunities they need to achieve success, and for that, we are truly grateful.

Reflecting on the year gone by, our school and its community have experienced a remarkable journey filled with diverse opportunities in extracurricular activities and Wellbeing programs. From Year 7 camps, captivating performances by the Bangarra Dance group, and the honour of participating in the Schools Spectacular Aboriginal Dance, our students have been exposed to enriching experiences and have added moments of excitement and inspiration.

Addressing the crucial aspect of Wellbeing, we have prioritized Positive Behaviour for Learning (PBL), emphasising this we have re-modelled them into Responsibility, Respect and Excellence, and implemented a rewards and levels structure as part of our revamped Honours System. These initiatives are becoming integral to our school culture, fostering a positive and supportive environment for both staff and students.

Our commitment to excellence extends to sporting endeavours, with students showcasing their talents in various team competitions, including Athletics, Cross Country, Swimming, Basketball, League-Tag, Soccer, Rugby League and the noteworthy achievement of Madison Hazel representing the NSW Lawn Bowls team at the Australian Championships and the Boys Under 16's Rugby League team playing the NSW State Final of the Small Schools' Competition in Bathurst against Gilgandra HS.

Tonight, as we gather for Presentation Night, it serves as the pinnacle of our collective efforts throughout the year—a time to acknowledge and celebrate the highlights and accomplishments. I commend each and every student who has excelled across different pursuits and hope to witness continued growth and success in the coming year.

Looking ahead to 2024, we remain steadfast in our commitment to providing a diverse range of subject options and electives, both within our school and through partnerships with institutions like TAFE, Aurora

College, and distance education providers. Our dedication to supporting post-schooling options for students includes facilitating work placements, work experiences, and School-Based Apprenticeships/Traineeships (SBAT).

In conclusion, I extend my heartfelt congratulations to every student being recognized today for their improvements and achievements. I express my deepest gratitude to the parents and the entire Junee community for their unwavering support of our school. As we approach the festive season, I wish everyone a safe, restful, and Merry Christmas, and a new year filled with prosperity and continued success. Thank you.

## **Junee High School Presentation Apology – Steph Cooke MP**

I am sorry I could not be here tonight to wish you well on this special moment in your educational journey.

I extend a huge congratulations to you on finishing another school year. It is an excellent achievement of which you can be proud.

You have embraced challenges along the way and shown your capacity to keep learning and supporting each other while making many memories you will cherish.

For some, today marks the end of your formal lessons and the beginning of the next chapter in your life.

For these students, go forward confidently, knowing that your family and local community wish you well as you continue learning and growing!

Thank you to our teachers, staff, parents, and carers for guiding and supporting our students throughout the year.

Enjoy today's celebrations. Have a merry Christmas and a safe and happy New Year. I look forward to seeing you all again soon.

Steph.
