Principal's Report

I would like to thank all of the staff at Junee High School who have worked tirelessly over the past year to create the wonderful learning environment that we have at Junee High School.

Junee High is a place that offers students many opportunities in a caring and supporting environment. This year we have implemented and built upon a number of innovative teaching and learning strategies that are enabling students to have an even more meaningful engagement with their learning and enhancing their learning outcomes. New programs that I am particularly proud of include our Self Select classes, the senior EMPOWER program, the Learning Centre, EMPOWER pm, AgVision Sydney, Lighthouse School in Agriculture status, MultiLit and, for 2016, additional shade over the quad and cricket practice nets.

As I end my teaching career with my second "tour of duty" at Junee High School I leave with a strong sense of pride and achievement – Junee High School is a good school, a great school, well placed to meet our students' needs over the coming years.

To the students of Junee High School – I feel very honoured to have had the opportunity to work with you over the last three years; I feel even more privileged to have been in the role of Principal for the last two years. Together, the staff, the students and community have built this fantastic learning environment, providing a vast array of opportunities.

"Is there an opportunity knocking on your door? Go answer it with the intention of saying yes, or if opportunity doesn't knock, build a door."

Arigatou gozaimashita

Terry Vercoe

Junee High School 1978 – 1992

Deputy Principal 2013

Relieving Principal 2014 -2105

Student Report

Our school has a diverse range of students who each have their own high achievements. Some of you will receive awards for your achievements in academic and sports this evening. But even if you don't receive an award tonight, know you have been an integral part of the life of Junee High.

Overall 2015 has been an amazing year. We have come together as a school through activities such as fundraising and the colour run.

Some of the events and activities we have continued in 2015 have been:

- The annual school production "Kleptomania", which involved the school band, singers, actors and dancers
- Our amazing school ball, which brought together majority of student from years 7 to 12
- The respect with which our students conducted themselves at ceremonies such as 'ANZAC Day, Long Tan Day and Remembrance Day' is to be commended
- Many students represented our school in sports ranging from AFL to swimming
- And the numerous excursions for our subject areas

2015 has been a year of change and growth at Junee High.

- Our library is becoming a 'learning Centre' with collaborative learning space, new computers and senior study and reference areas
- Our EMPOWER programme extended to stage 6 and has been an excellent addition to our studies
- JHS was also the standard bearer of Agricultural education. The Royal Agricultural society adopted our Agvision model and delivered the Agvision experience to Sydney students. It's great to know that a small rural school is leading NSW in this area.

Junee High School is a great school. We are given so many opportunities that other schools can only envy. We are proud to lead our school in 2016 and we look forward to seeing what we can achieve next year! Thank you.

Hayley Hocking & Tom Snudden
School Captains 2015/2016

The Junee High School's Parents and Citizens Association is proud to work together with Junee High School staff to support our students and school. The invaluable support provided by our parents, carers, families and community members is much appreciated and really makes a difference. We look forward to greeting new families to our school in 2016 and encourage families to join the P&C.

The P&C proudly supports many engaging learning opportunities for our students including the EMPOWER program for extended learning. We also support many opportunities for student achievement in the academic, cultural and sporting fields including AgVision.

Junee High School's AgVision Agri-Expo extended into the wider NSW community in partnership with the Royal Agricultural Society of NSW. Following "AgVision Sydney" there was quite a run of articles in the media highlighting Junee and Agriculture in schools. Congratulations to the staff that moved AgVision to the next level.

Our appreciation and applause also to our students and staff for the many events in which they have participated and displayed their skills in our community. Thank you also to the students who assisted in setting up the local Agricultural Shows and congratulations to the prize winners at those events

As a representative of the parents, I wish to thank our Principal Mr Vercoe, Head teachers, teachers, support staff and administration staff for their professionalism, flexibility and hours put in to bring alive the education of our children. Thank you also to the teachers who have stepped up to higher duties, or stepped sideways to teach outside their subject areas when the need arose.

To all the students who have completed their schooling, we wish you well in the new directions you have chosen, be it work, university or both. We also extend our best wishes to staff and families leaving our school.

Ken Pickersgill
Junee High School P&C President

The Mark Everett Awards

The Everett Award is named in honour of Mark Everett (Junee High School Principal, 1993-1999) who was recognised for his devotion to the school and community, fierce determination to recognise student success, and a most generous spirit.

The Everett Award recognises a student's outstanding achievement in one of the three principles for student success: Be Your Best – Be Responsible – Be Respectful.

At the Principal's discretion, up to four of these awards may be presented to students in each year group in each calendar year.

Advance Australia Fair

Australians all, let us rejoice
For we are young and free
With golden soil, and wealth for toil
Our home is girt by sea
Our land abounds in nature's gifts
Of beauty rich and rare
In history's page, let every stage
Advance Australia Fair
In joyful strains then let us sing
Advance Australia Fair

The Caltex Best All Rounder Award is for someone with the attributes that the school strives to instil in all of its students. The criteria are Academic, Conduct, Leadership, Service and Sport.

NSW Premier's Sporting Challenge Medal is to acknowledge one student who has participated in the Premier's Sporting Challenge and excelled in their school for their outstanding:

- commitment to fair play
- achievement in their sporting discipline (as a participant/ umpire/ trainer/ assistant and/ or sports leader) and
- overall contribution to their school's weekly sporting program.
