Principal's Report

This evening, we celebrate the good and the great achievements of our students, but also recognise the contributions of teachers, support staff, parents, families and our community. Congratulations to those we recognise today, from our students achieving firsts, perpetual trophies, acknowledgment certificates through to attendance, sporting and cultural activity successes.

This year has seen changes for students and staff, a myriad of excursion opportunities as well as a keen focus on our academic efforts. The dedication of our students, staff and parents and the ongoing support from our P&C are a part of our school's journey this year. Our journey, like each individual's journey moves from good to great.

This evening we will hear from Katrina Fanning a former student of Junee High. Like Katrina, our current crop of scholars have dreams, plans, and opportunities and it is their attitude, their willingness to accept opportunities, to see setbacks as temporary and not road blocks, to see each day as a step closer to where they want to be to see their classmates and teachers as people, people who also have dreams and their own journeys to walk to see each class and lesson as an opportunity to practice hard work, perseverance and patience.

It is this attitude that will help students of Junee High School move from good to great.

So 2017... will again see a multitude of excellent learning activities, opportunities for students to achieve excellence in academic, cultural, sporting and civic endeavours. We will continue to achieve in our 3 B's – Be Respectful, Be Responsible, Be Your Best

Mr Scott Frazier

Junee High School 2016

Guest of Honour - Ms Katrina Fanning PSM

Katrina was born and raised in Junee and finished High School in 1990.

Katrina started as a trainee in the Australian Public Service in 1995 and rose to the Senior Executive Service within a decade. In her 22 year career, she has managed significant reforms such as the Baby Bonus, Income Management and Remote Jobs Program. Katrina also spent four years as the General Manager for Aboriginal Hostels; a network of 47 hostels around the country providing half a million nights of accommodation to some of Australia's most vulnerable citizens. In the 2015 Queen's Birthday List, Katrina was awarded the Public Service Medal in recognition of her outstanding contribution to Australia.

On the sports field, Katrina played in the world first Women's Rugby League Test in 1995 and went on to play 24 tests for the Jillaroos, including two World Championships. Katrina has also played at National level in Rugby Union, Indoor Soccer and European Handball.

Katrina has also made significant voluntary contributions to indigenous, homelessness, domestic violence and multicultural services in Canberra and was awarded The Canberra Woman of the Year in 2014 and was a state finalist in the Australian of the Year Awards this year.

P&C Report

P&C is Parents and Citizens. It works to support your local High School and it is parents and citizens who make. Whilst the P&C might not be hugely visible it works hard for the benefit of your students and our school.

In our modern world of education changes which is more flexible, more hands on; there is always something on the go. There is sharing skills and control robotics, agriculture and the Arts and so on.

Junee High School once again hosted AgVision. It was a wonderful event that showcased the many diverse careers in agriculture and highlighted new advances in technology. The P&C were proud to assist in catering lunch for over 1000 people.

We are proud to promote volunteering in partnership with the community and once again we fuelled the energy of the dance at the school ball. The role of the P&C is not out in front but we play a supporting role in supporting our children.

This year we welcomed our new Principal Mr Scott Frazier, congratulated Mr Mark Turner on his appointment to Deputy Principal and Miss Prue Asmus to Head Teacher English/History.

As a representative of the Parents, I wish to thank our Principal, the Head Teachers, Teachers, Support and Administration staff for facing the challenges, showing flexibility and the countless hours put in to bring alive the education of our children. An extra thank you to the teachers who have stepped up to higher duties, or stepped sideways to teach outside their subject areas when the need arose.

Congratulations to Ms Melinda Hyland, Mr Anthony Stokes, Mr Peter Nicoll, Mr Brent Heydon on their permanent appointments.

We fondly farewell; Ms Lesley Campbell and Mrs Robyn Patterson as they conclude their teaching careers.

We also thank the many casual and temporary staff that has assisted our school this year.

Ken Pickersgill

Junee High School P&C President
