## Electronic Devices policy

I have been impressed with students living up to our high expectations of electronic devices being "Off & Away" during class learning time. Thank you to all parents and carers for supporting our school with this policy, helping to have students feel safe in class and being able to focus on their learning.

A reminder to **please call the office as your first call** if you need your child during class times.

Attendance is also important from the start of the day, allowing students to have their name recorded on our daily roll, hear important messages and be prepared for any changes of rooms and teachers for their school day. Any student not arriving at school by 8:53 roll call needs to sign in at the office. Parents should supply their child with a note within seven days, explaining the lateness as this is a legal requirement

## P&C

Thank you to parents who were able to attend our latest meeting, sharing ideas about fundraising, especially the Golf Day planned for Saturday 19 November; school staffing and the Yr 12 Farewell dinner. Our next meeting will be Thursday December at the Red Cow Hotel 7pm.

## Junee Show

Well done to all students and families who competed in the Junee Show. Thank you to staff and students who put together the Junee HS display, as well as helping with organisation of the event.

## Yr 6 into 7 Transition

We welcome our 2017 Year 7 students to Junee HS with 2 transition days of the students taking part in classroom lessons. Mr Matt Hands, the Year 7 Advisor has met with the excited Year 6 students to prepare for the next step in their educational adventure.

I look forward to seeing their eager faces and working with them. I also look forward to meeting with parents on Tuesday 6 December, when we host the parent information session and tours of the school, as the students enjoy their second day of transition.

## Holidays

I congratulate students for their fantastic efforts throughout the recent school holidays, especially those that begun their first day of a new job, made career plans or excelled in a significant event.

Special congratulations to:

**Mae-rose Harrison** who was selected as part of the RSL Rural Commemorative Youth Choir to perform on Wednesday, 5 October 2016. Mae-rose performed for the NSW Governor General, his Excellency General The Honourable David Hurley AS DSC (Ret'd), Governor of NSW, his family and selected guests at Government House in Sydney

**Ineka Hart** who competed for the Riverina Cubs in the NSW/ ACT Youth girls State Championship for AFL. Ineka and her team played four games in 2 days to be crowned champion of this prestigious competition, which is seen as a pathway to the Women's AFL competition.

Be your best. Be respectful. Be responsible

## Visit to Temora Aviation Museum

On Wednesday over 50 students from Years 9 and 10 visited the Temora Aviation Museum as a part of their studies into World War II in History. The students were given a guided tour of the museum including the opportunity to learn more about features of different aeroplanes used during the war effort. They also viewed some videos about the planes and experiences of former service personnel who flew them on different missions. A particular highlight for many students was the opportunity to be hands on creating morse code messages and participating in various role plays typical of the situations encountered during the war.

It was an educational experience for the students, who represented themselves and Junee High to the highest standard. Thank you to the students and accompanying staff.

## Year 7 & 8 Touch Football Report

Congratulations to our Year 7 and 8 Touch Football teams for their enthusiasm and participation in yesterday's NSW All Schools Touch event. Both teams were able to put into practice the skills they had learnt from training during sport afternoons. The boys won two games, lost two and drew one. They qualified through to the quarter-final where they were defeated by a fast paced Koorringal High team.

The girls had a very competitive day and improved throughout all of their games. They faced very experienced competition, but never gave up in their efforts in attack and defence. Both teams had a great day and learnt a lot about touch football. Congratulations to Riley Makeham and Bree Scott who were voted by their peers for a player's player award. Thank you to Sebastian McDermott and Damon Jackson who demonstrated great leadership skills through the day, assisting the teams by refereeing

games. Thanks to all the parents who assisted with transport and to the students for being fantastic representatives of our school. Well done to all involved.

## U15's Netball

Netball could be Junee High's new sporting craze after a superb effort shown by the Under 15's girls' team at the Riverina Netball competition held in Wagga last Wednesday.

Girls in Years 7 and 8 put their skills to the test against the best 'netballing' schools in the area including Murray High, Koorringal and Corowa.

Students should be incredibly proud of the teamwork and sportsmanship displayed on the day. Their high level of persistence and willingness to learn was

rewarded through their obvious improvements as the day went on.

When nominating the Players Player, the girls were very quick to show their appreciation of various members of the team. Maddy Deacon took out the title with her ability and versatility being a stand out. Other notable performances were from Grace Fahy and Rachel Anderson who worked beautifully in the defensive positions.

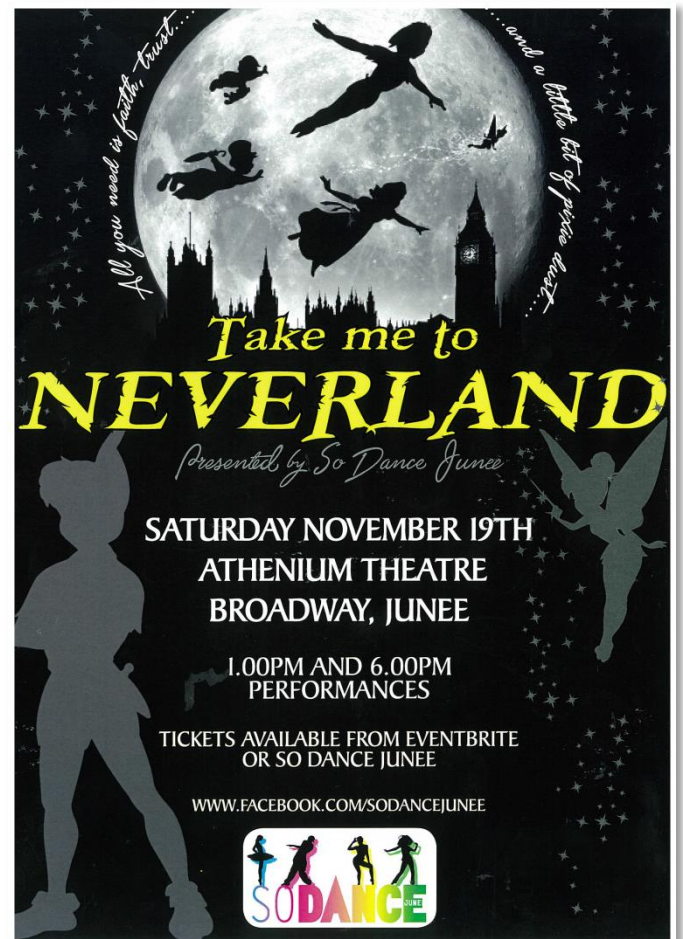

A special thanks to Miranda McLaughlin who did a fantastic job umpiring!

Thank you for your effort and enthusiasm, girls.

Bring on next year's carnival!

Miss Emma Meale  
Netball Coach
