Principal's Message.....

Fraze's Phrase: "If Plan A doesn't work, there are still 25 more letters!"

Junee High School P&C

Thank you to all involved in our P&C and especially supporters of the P&C Fundraiser Golf Day held on Saturday 19 November. We held our last meeting for the year with a celebratory dinner at the Red Cow Hotel, with the updated constitution and by-law amendments tabled and discussed. The P&C will meet again in the new year with Term 1 meetings to be held at Junee HS at 7:00pm in the Common Room on the following dates: Thursday 9 February and Thursday 16 March 2017.

The P&C also runs our canteen as the main fundraiser for the school. The canteen is open each day for recess and lunch and can be supported by our parents in two main ways:

- If you are able to volunteer, there are opportunities either each week, fortnight or month to lend a hand for a few hours, as well as when the P&C cater for events such as the School Ball
- Not bringing outside food shops products to your child during breaks. We have a great canteen that is supporting your children and I ask that food is purchased from our canteen, not outside shops

If parents need to bring items to school, please bring them to the office, rather than students going out of bounds to collect things. Thank you for your support.

Year 6 into 7 Transition

We welcomed our 2017 Year 7 students to Junee HS on Thursday 10 November with our first transition day with the students taking part in classroom lessons. Thank you to the parents, carers and students who were able to attend the Parent Information Session on Tuesday 6 December and tour the school. The students really enjoyed their second day of transition.

2017 Curriculum and Staff

We continue to refine our curriculum and staffing for 2017 aiming to provide excellent learning opportunities for students to build their knowledge and skills.

With NSW Government funding and thanks to the Gonski allocation of funding to our schools, we are providing much of our funding to widen our curriculum and provide staff to support student learning.

We have enlarged our curriculum to offer a third Industrial Technology Timber class for Stage 5, as well as Year 11 Business Studies.

Stage 4 will have 2 Empower classes with over 40 students nominating for this self-select class. Empower class students challenge themselves and refine their independent learning skills. Stage 5 will continue to have one class full to the brim with students wanting this opportunity. Congratulatory letters have been mailed out this week to the students.

Staff update:

- Jen Hoy as Head Teacher Teaching & Learning
- Andrea Francis has accepted the role of Head Teacher Professional Practice, overseeing our implementation of PBL (Positive behaviour for Learning) and well-being
- Bree Biggar will be Wellbeing Coordinator and teacher in Visual Art, replacing Merrin Glasgow who is taking leave for a year
- Kalia Forde is ALARM coordinator
- Andy Bedford in Science
- Clint Campbell in TAS
- Gabriel Newman in English
- The Science and Maths faculties are combining under Sandra Heffernan as Head Teacher
- Samantha George will continue in her role as Family Referral Service worker one day a week

I thank Louise Brown for her valued work in TAS in 2016, especially in her role as coordinator for the production of the 2016 school magazine.

Scripture

Scripture will continue to be offered at Junee HS, with a change to delivery. Stage 4 will receive 5 lessons per term. This will be on a rotation basis starting approximately week 4 in each term. Students who opt out of their Scripture class will be in a learning period with their classroom teacher. Also in 2017, the Junee Scripture Board will fund a Chaplain for 1 day a week. The Chaplain's role will be to support students and

promote wellbeing. They are not a counsellor nor are they permitted to try to convert students to their faith.

Chaplains will work with students in classes, on excursions or in wellbeing programs. Parents have the option to withdraw their child from the program and should contact the school should this be the case.

End of Year Procedures

We welcome parents and community members of JHS students to our Annual Presentation evening on Tuesday 13 December at 7:00pm. School reports will also be distributed at this celebration of student success.

On the Wednesday 14 December through to Friday 16 December (Week 10), classes will combine as student numbers decline leading into the end of the school year. School learning activities will still occur, with staff planning specific learning activities in the last few days. School staff will be at school on Monday 19 December and Tuesday 20 December in Week 11 if you need to contact the school.

School will reopen on Friday 27 January 2017 for School Development Day with all staff in attendance.

Years 7 and 8 and Years 11 and 12 will commence school on Monday 30 January 2017. Years 9 and 10 will commence Term One on Tuesday 31 January 2017.

Once again thank you for your support, and for working with us to provide a valuable education for your children and the betterment of our community.

I wish all families best wishes for a safe and restful holiday break and look forward to a fantastic 2017.

Be your best. Be respectful. Be responsible

Mr Scott Frazier
Principal

Burrabinya

Burrabinya is a Stage 5 Indigenous girl's careers and future directions program. The Burrabinya Graduation Ceremony was held recently with Program Facilitator Kate Boland from COMPACT.

2016/17 Rural and regional school travel

- Your child may be eligible for free travel between home and school
- After 12 May 2016 you need to apply online

Visit transportnsw.info/school-students

What's new

From 12 May 2016, applications for free school travel in rural and regional NSW will need to be completed online instead of using paper forms.

This change makes it easier to apply, as you only need to complete one form that covers all situations, including journeys that involve multiple transport operators.

It's also easier for schools and bus operators, as Transport for NSW will now handle the applications.

This change only affects the application process; no changes to any public transport services are planned.

Who can apply

To be eligible for free school travel, students may need to live a minimum distance from their school:

Years K-2 (Infants)

There's no minimum distance.

Years 3-6 (Primary)

1.6km straight line distance or 2.3km walking.

Years 7-12 (Secondary)

2.0km straight line distance or 2.9km walking.

Who needs to apply

A new application is only required if the student has never been approved for free school travel before.

However, you need to update student details online if the student:

- Is moving from Year 2 to Year 3
- Is moving from Year 6 to Year 7
- Is changing schools or campuses
- Is changing address

How to update your details

If the student has already been approved for free school travel and their address, school or name change the student is entering Years 3 or 7, you will need to update your details at apps.transport.nsw.gov.au/ssts/updatedet

How to apply for free travel for the first time

Applications for 2017 open from the start of Term 4, 2016.

Step 1

Once you have confirmed your 2017 school enrolment, complete the online application form at transportnsw.info/school-students, nominating your home address and which bus company or transport operator the student needs to travel between home and school.

Step 2

Print, sign and date the completed application, then return it to the student's school for endorsement.

Step 3

The school then sends the endorsed application to Transport for NSW. You will receive an email confirming the outcome of your application. If the application is approved, Transport for NSW will inform your local bus or transport operator who send a school travel pass (where applicable) to the student's school, or in some cases will contact you directly about travel arrangements.

A parent or guardian must apply for students 15 years and under. Students 16 years and over must apply for themselves.

Muốn được giúp đỡ bằng tiếng Việt, quý vị gọi cho Dịch vụ Thông Phiên dịch (TIS) qua số 131 450.

Frequently asked questions

Can I still apply using a paper form?

Carbon copy forms are no longer being accepted after Term 2, 2016. To download a paper form visit apps.transport.nsw.gov.au/ssts

How can I apply if I don't have internet access?

Call **131 500** for assistance with your application.

Does the approved free travel include travel outside school hours?

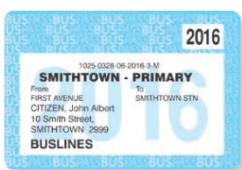

Approved free school travel is only for travel to and from school. So for travel after hours, on weekends or during school holidays, students will need to purchase a ticket.

What if there's no public transport in my area?

In areas where there is no public transport, eligible NSW residents may receive a subsidy for transporting the student to school by private vehicle. For details visit transportnsw.info/school-students

How do I apply if the student is in a shared parenting situation and needs to travel from two addresses?

Each parent (or the student if aged 16 or over) needs to make a separate application for each address. The same eligibility criteria apply.

Information correct as of April 2016.

SPEC with Riverina Central Choir Senior Division

Lucy Clarke recently performed in SPEC with Riverina Central Choir Senior Division.

"The show went extremely well and our Riverina Central Choir students were sensational. I was hugely proud of their commitment to the singing and movement and their fantastic behaviour throughout. It was especially good to see how well students from all the different Riverina schools had bonded and looked after each other.

The seniors are to be commended for: being exceptionally good role models to our junior division; conducting themselves so well during and outside of the rehearsals and shows; being perfectly mannered to parents, adults, fellow students and all SPEC staff; being so reliable and punctual; having total commitment to the cause and giving 100%+ to their singing and movement; being appreciative of the opportunity afforded them. What a great bunch!

Thank you for your support, allowing Lucy to take the experience of SPEC with her throughout her life. I'm sure it is something she will remember especially as this year's show is now in the Guinness Book of Records."

Kind Regards,
Judy G
(Riverina Central Choir Director)

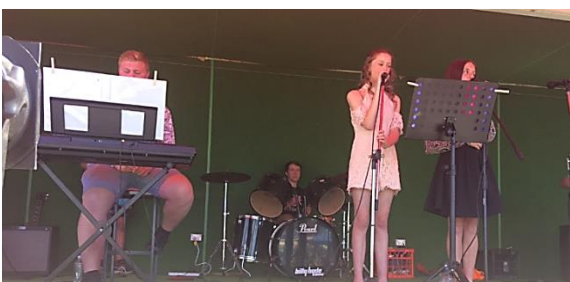

Junee Business and Trades Fair and Christmas Carols

Congratulations to our junior band, senior band and individual performers who performed at the Junee Business and Trades Fair and Christmas Carols recently.

The students showed great commitment towards rehearsing, especially outside of school hours, during the last couple of weeks. They were great ambassadors for our school in front of a very large crowd.

The junior band had only been working together for the last eight weeks and did a fantastic job performing together. The senior band should also be congratulated for their efforts in preparing more challenging music, especially those students who had tricky solos and harmonies to learn. Congratulations also to Harrison and Bella for performing one of the carols in Spanish.

Ms M Hyland
Music Teacher

Congratulations to Lucy Clarke for her involvement in 2016 Schools Spectacular. Lucy was in the Riverina Central Choir Senior Division and was part of the show that is now in the Guinness Book of Records.

Also thanks to all who have supported Lucy in her performances, as well as Ms Hyland and Mr Knox for taking a group of our students to Sydney recently.

Recent Year 12 Farewell celebrations - cutting of the cake

Merry Christmas from the JHS P&C

The Junee High School P&C committee would like to thank everyone for their support during 2016. Over \$5,000 was raised this year which provided valued resources and support for our school.

Our thanks go to school staff, parents and community members for supporting our fundraising activities.

We wish our school community a very Merry Christmas and Happy New Year and look forward to working with our new and current families in 2017.

Julie Shepherd
P&C Secretary

A reminder to parents to notify the school about your child's health

We welcome information from parents about your child's health, even if you are not requesting specific support from our school. Our school asks for medical information when you enrol your child. It is also important that you let us know if your child's health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents. Please provide this information in writing to the principal. This will greatly assist our school in planning to support your child's health and wellbeing.

Please also remember to notify staff in the school office of any changes to your contact details or to the contact details of other people nominated as emergency contacts.

We appreciate your assistance in this regard and assure you that any information you provide the school will be stored securely and will only be used or disclosed in order to support your son or daughter's health needs or as otherwise required by law.

Agriculture

The Agriculture faculty has recently purchased a new sheep handling machine. The school has invested in the Combi Clamp. A Combi Clamp is a sheep handling machine that relies on the body weight of the operator to clamp the sheep. This is going to allow students of all sizes, age and strength to work safely with the animal and reduce the risk of injury or harm to both the student and the animal. This implement will enhance student agricultural education at JHS.

The machine mirrors best-practice in the sheep industry and gives students the opportunity to operate specialised equipment. The machine will be used for weighing animals and assessing growth rates of different breeds. In the future we will look to utilising electronic sheep tags and reader. This will integrate current technologies being used in the agricultural industry and improve student knowledge and skills.

Jack Passlow and Jordan Seary - Year 12 Primary Industries students vaccinated and back lined the school flock in preparation for summer. The students found it much easier and safer to complete the operation and improve the efficiency in completing the task.

Mr P Anderson
Agriculture

Projects

Stage 4 Art

Stage 4 Art have been exploring the genre of Pop-Art this semester. They have enjoyed learning about the many artists that were pivotal in the growth of this movement from Warhol to Lichtenstein. Students have been experimenting using line and shape to create their own interpretations of famous works of art. They have enjoyed making connections between these works of art and their political or personal statements. Some of the following examples are from 4ART2 who created their own chalk drawings inspired by the work of Keith Haring. They had fun transferring their sketches from their art books and working with chalk on concrete. This was a fun learning activity that the students thoroughly enjoyed. They also enjoyed the challenge of communicating their message without words.

Year 8 Camp

Year 8 recently went on a two-day camp to the Borambola Sport and Recreational Centre. The students spent time bonding and building their team working skills. We left at 8.00 am Thursday morning and the bus was abuzz with excitement. When we arrived, we explored the grounds and began a footy game out on the oval whilst some of the group practised their cricket skills in the onsite nets. The serious competitive side came out in Mr Hands who played an intense game of table tennis whilst Miss Biggar taught a few others how to play 'Round-the-world'. At 11.00am we checked into our accommodation and the boys spent time bonding in their dorm rooms built for 12. The girls were in the villa not too far from the boys which allowed for a little more privacy. The boys were greatly put out when they realised the girls were living in relative luxury.

The afternoon saw a team building exercise occur in the raft building challenge. The students were separated into smaller groups and given different materials to construct a raft that had to float in the water and hold two of the team in a race across the pool. There were many disagreements and some strong leaders rising above to assist in the construction of some sketchy looking life rafts. Isaiah showed great leadership with his team and proceeded to assist a flailing team to complete their raft in time. The moment of truth came when each team's contestants sat on their rafts to find some were not successfully constructed resulting in Joanna and Bronte being dumped in the water. The winning team consisted of Isaiah and Harry who were assisted in the building process by Riley, Rhys, Jamie, Bailey and Hamish. Also of note were Ineka, Kiara, Taylah, Ellie, Bailee and Eilee who made it across the pool on their raft transporting their entire team!

After this, the group moved on to learning some archery skills and competing against one another in a challenge. Although hesitant at first, many of the students mastered the archery bow and began challenging one another to a test of accuracy. Belle and Bree became quite savvy with the bow and assisted bringing their team victory. The test of skill came when Mr Hands challenged some of the boys to an accuracy game to see who could hit the bullseye. Alas, there was little success from the guys on this score.

In the evening, Camp Leader Ollie led 'Improvoso' which saw students again divided into teams and

pitted against each other in many challenges including having to dress like twins, making up your own jingle to sell a ridiculous product and consuming a small tub of vegemite – much to Miss Biggar's disgust. The students all had a great time laughing and solving riddles. Afterwards they all piled into the lounge room of the girls villa to watch 'Hunt for the Wilderpeople'. There was much laughter and Oreos consumed.

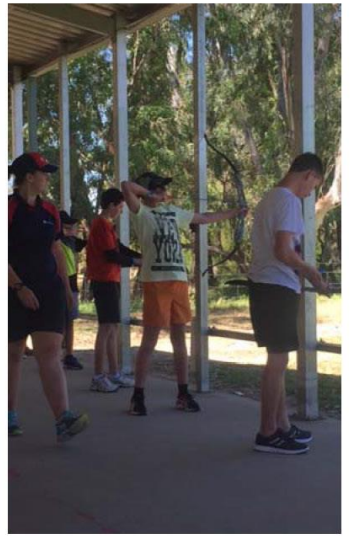

On day two, the students got up early to be ready for breakfast and the small walk down to the high ropes course. Once we were in our harnesses (which took quite some time to master, much to the frustration of Gus the co-ordinator) we were briefed on the importance of safety and the way we were to progress. After a short practice on the low ropes it was time to brave the heights of the high ropes course. The height proved too much for some who took one look and decided not to participate. Some made it to the top of the telegraph pole only to scramble back down again whilst others, like Rhys, made their way along the course and conquered their fears. It was brilliant to see so many Year 8's facing the challenge with gusto and encouraging their peers to do the same.

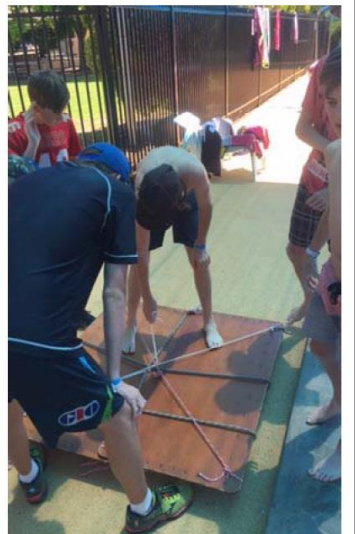

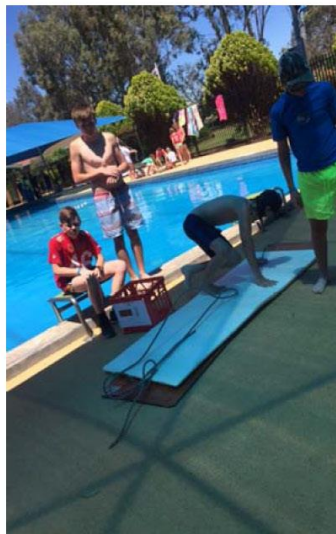

After lunch a fierce table tennis match started up again whilst others had time for relaxation. Some were idle playing tricks on one another and Mr Hands was happy to oblige with some challenges that kept the students entertained until the bus arrived.

It was a quieter bus ride home with many students exhausted from a lack of sleep. They were all thoroughly happy to be coming home. It was a fantastic two days that saw Year 8 share some memorable moments and loads of laughs.

Miss Biggar
Camp Coordinator

The Australia Day Jail Break Fun Run 2017

The annual Geo Group/Junee Junction Australia Day "Jail Break" fun run will be held on Thursday, 26 January 2016 starting at 7.30am, following a basically flat 3.3km course between the entry to the Junee Correctional Centre in Park Lane and the Junee Junction Recreation & Aquatic Centre in Lorrie Street. **ENTRY IS FREE.**

A sausage sizzle will be available at the Junee Junction Recreation & Aquatic Centre after the race at a small cost with all proceeds going to the Junee Swimming Club.

Thanks to the GEO Group's \$100 cash prizes will be awarded to randomly selected finishers and 6 x wooden toys for wheelies under 8 years old. (must be present at the official Australia Day Ceremony to win).

All 1st place-getters in each of the following three (3) categories will receive a medallion (to be presented at the Official Australia Day Ceremony) (small trophy for team/group category) commemorating their achievement (Walker/Runners only) – Team/Group, Open Male & Female and Junee Male & Female (15 & under). Those competing as a team/group, must have at least 5 participants in their team. The team time will not be taken until all members have crossed the finish line.

Entries will be received at Junee Junction Recreation Centre up until 5.00pm on Monday, 23 January and at the race start on the day up until 7.00am. All entries must be on a completed official entry form and EACH participant must complete a separate form.
