Principal's Message

School Plan

Each NSW Public School is currently writing their 2018-2020 School Plan. As a staff, we have begun this process and will be soon seeking support and feedback from parents, students and the community. Thanks to people who have already provided information through the surveys completed at last term events, as well as completing the Tell Them From Me surveys.

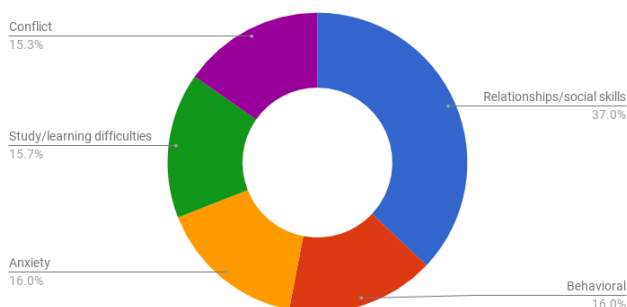

More information to come!

Congratulations Year 12

Congratulations to Year 12 as we celebrated their momentous occasion of graduation last Term at their assembly. HSC exams started this week under the supervision of Mrs Pam Halliburton and her team. We wish the Year 12 students all the best in their preparation and execution of knowledge in their exams.

Chaplaincy

We continue to benefit from Mr Lucas King being involved in our school as chaplain on Fridays. He is funded through a joint effort from the Junee Christian churches and community, along with JHS. Generate Ministries employ Lucas, which is the main employer of chaplains in NSW. Through their meetings and discussions with chaplains and principals, they are able to best support chaplains. Interestingly the 5 most common issues chaplains are assisting with are below including: relationships & social skills, family and home life, study or learning difficulties.

Tell Them from Me

Thank you to parents who were able to complete this survey. Students completed this survey last week, with the results available and distributed shortly.

Staffing

We thank staff for their continued efforts with students and our community each day. Changes for Term 4 include:

- Ms Melinda Hyland returning from maternity leave, replacing Ms Risa Matsui
- Ms Sally Geaghan returning from maternity leave
- Ms Gabriel Newman taking maternity leave. Ms Shakira Orellana will move into teaching Ms Newman's classes and taking on her role
- Ms Sarah Covell on leave, replaced by Mr Billy Lee.
- Mr Phil Turton continues on leave, with Mr Shane Logan remaining as the General Assistant
- Mr Jake Milnes leaving as SLSO to take up other employment.

New Year 12 Cohort

We welcome our New Year 12 group as they start their HSC courses this term. We were able to host an important meeting with students and their parents last week. If a student or parent missed the meeting, they are able to contact me for a meeting to discuss the topics. Topics on the night included:

- Senior Commitment booklet and expectations
- Assessment Schedule and Scope & Sequence
- Empower
- Changing pattern of study
- Tell Them From Me survey results
- Support for students and parents over the next year.

School Ball

Thank you to all who made this year's Enchanted Ball, an exciting and worthwhile event. Well done to Mrs Amanda Crane and all the volunteers for their preparation. The students dancing to kick off the night with traditional dances was excellent and thanks again go to the PDHPE staff for their teaching and support for students.

Thanks also to P&C for their catering and support. Well done all!

Be your best. Be respectful. Be responsible

Dramatic Minds

On Friday October 13, a team of Junee High School students participated in the 6th Annual Golden Plains Festival of Dramatic Minds. The Dramatic Minds Festival is a multimedia festival involving high school students focused on promoting mental health knowledge in the aims to reduce the stigma of mental health and present information in creative ways.

Our team consisted of Kiara Longmore, Ineka Hart, Taylah Hackett, Bella Willis, Chloe Hatch, Tenaya Gerhard, Lily-May Sutherland, Jasmine Phillips and Jamie Whiles. The team devised a dramatic dance sequence that depicted domestic violence and the flow on effects of

poor mental health and self-harm that can arise from these events impacting young lives. The piece highlighted the help seeking avenues young people can access if they are experiencing poor mental health as a result of trauma such as kids helpline, headspace, the Black dog Institute and Lifeline.

The students worked consistently to perfect their performance and choreographed many of the sequences themselves. A particular highlight of the piece was Jamie making his debut dance/acting career as a bad guy playing an abusive father of the piece. Jasmine also stepped up to play the wife who experiences domestic violence and Kiara their child who experiences the negative mental health that ensures exposure to domestic violence. The performance had a very emotive powerful message and evocatively portrayed by these brave students. The team was widely praised on the day and received overall first place in the festival. This is the first time Junee High School has won the event and is testament to the hard work and dedication of these students.

Congratulations Team, very proud of you all.

Miss Bree Biggar & Mrs Elaine Bunyan
