## Roadcraft Driving Services

Think safe, Learn safe, Drive safe

Roadcraft Driving Services offers Learner Driver lessons to young drivers in the Wagga Wagga district, including Uranquinty, The Rock, Ladysmith, Junee and Collingullie. We can also service other towns by appointment.

Our instructor has over 33yrs proven experience in driver training and education, including 20yrs as a NSW Police Driving Instructor.

Students can be picked up and dropped off from home in these areas.

Our extensive experience and techniques produces young drivers with the right skills and attitudes.

Visit our website to book lessons

[www.roadcraftdrivingservices.com.au](http://www.roadcraftdrivingservices.com.au) or email [info@roadcraftdrivingservices.com.au](mailto:info@roadcraftdrivingservices.com.au) or visit us on Facebook at Roadcraft Driving Services Pty Ltd.

Phone Paul Dawson on 0455229912 to book lessons.

1hr session - \$70 equals 3 log book hours

2hr session - \$130 equals 6 log book hours. Discounts for multiple lessons.

Manual lessons can be arranged.

### NEW CUSTOMERS OFFER

Book initial 2hr driving lesson, and receive second hour at half price. Great value 2hrs for \$105. This gives 6hrs log time in Learner Drivers Handbook.

## Principal's Message

### Positive Behaviour for Learning

Junee High School is using the Positive Behaviour for Learning (PBL) framework for a whole school focus. Our school team have designed a matrix so everyone will understand the expected behaviours in a range of school settings. Great feedback from students has aided this. The team has started teaching specific lessons about the expected behaviours, with our SRC involved in creating videos to explicitly demonstrate the expected behaviours, focused on our 3 B's of Be your Best, Be respectful, Be Responsible.

Parents, students and community members will see more signage around the school outlining the expected behaviours at each place, such as the office, canteen, hallways and classrooms.

Thanks to the PBL team for their organisation and all who provide their support to making our school a great place to be.

### Electronic Devices Policy

I have been impressed with students living up to our high expectations of electronic devices being "Off & Away" during class learning time. Thank you to all parents and carers for supporting our school with this policy, helping to have students feel safe in class and being able to focus on their learning.

A reminder to please call the office as your first call if you need your child during class times.

Please find our class times each week below:

## P & C

Thank you to parents who were able to attend our latest meeting, moved to the new evening of Wednesdays. It was great to share ideas about fundraising, especially the Fete planned for Friday 3 of November; school staffing, uniforms and the P&C fundraising. Our next meeting will be Wednesday 29 November, 7pm.

### Junee Show

Well done to all students and families who competed in the Junee Show. Thank you to staff and students who put together the Junee HS display, as well as helping with organisation of the event.

### Year 6 into Year 7 Transition

We welcome our 2017 Year 7 students to Junee HS with 2 transition days of the students taking part in classroom lessons. Ms Olivia Hounsell, the year 7 Year Advisor has met with local schools and the excited children to prepare the next step in their educational adventure.

I look forward to seeing their eager faces and working with them at the next transition day of Thursday 9 November. I also look forward to meeting with parents on Tuesday 5 December, when we host the parent information session and tour of the school, as the students enjoys their third day of transition. Parents will have the opportunity that morning to ask questions from school staff about the school, tour the school to see the classrooms, facilities and current students in action and to also purchase school uniforms.

### Q&A Excursion

Thank you to Ms Forde and the Yr 11 Extension English class for a successful application to join the Studio Audience for the ABC show "Q&A" at the schools special to be held on Monday 6 November. Please keep an eye out in the audience for Harrison Fahy,

Abby Foley, Mae-rose Harrison, Brody Longmore, Callum McCarthy and Adam Spackman. The group is also fortunate to be granted a tour of NSW Parliament House and to also be in the audience for the filming of comedian Wil Anderson's show "Gruen" based on the deconstruction of advertising and understanding the role of promotions in our world. The group will report back next newsletter.

Be your best. Be respectful. Be responsible

## What's happening in Careers?

### Year 10 Mock Interview Program

Stage 5 students will be involved in a mock interview program being held at Junee High School on Wednesday 29 November 2017 between Period 1 – Period 5. This program will form the basis of the final task for their Careers lessons and is therefore compulsory for all Stage 5 students. The opportunity for our students to participate in this program is an important and a vital preparation step for their future job seeking endeavours.

Students are asked to come to school in either full school uniform or dressed for an interview and to bring with them a copy of their resume (this will be worked on at school). Students who have developed a portfolio containing relevant documentation (school report, Certificates of Merit, copies of qualifications) are asked to bring this along also. Students will have a rostered time for their interview and will attend class for the remainder of the day.

Interviews should last for about 10 minutes with a further 5 minutes being allocated for discussion. The students will be being interviewed by representatives from TAFE, GTES & ATEL as well as representatives from other community organisations.

A BBQ lunch will be provided for the students on the day.

### Junee Public School Careers program

Research would support that children from quite a young age are already thinking about the types of jobs they want to do when they leave school. It also supports the introduction of careers education in the early school years. To support this research 17 student volunteers from Stage 5 are currently involved in a Careers Based program with Year 1-2 students at Junee Public School. I do not know who was more excited on

the first visit the 'little kids' or the 'big kids'. The program will run one afternoon per week for 5 weeks. Each week starts with a story book that looks at a career/job(s) and is then followed by career based activity.

*Careers Adviser*

## Automotive Mentoring Program

Jamie Milne and Bailey Vanzanten have been attending Automotive Mentoring at the Gasworks Museum each week. They have been under the guidance of Mr Joe Belling and Mr Jeff Windsor.

Thank you to Mr Belling and Mr Windsor for showing the boys around the workshop and some of the cars.

## P & C News Flash

This is one of the most exciting weeks for P & C. The Cook Book is being released and we have our Fete this Friday. Being the last fundraisers of the year we are hoping to raise much needed funds to go towards resources for the students. Special thanks to our sponsors:

## T School Based TRAINEESHIPS

Junee Shire Council and Junee High School are working together to bring about career opportunities for local year 10, 11 and 12 students. If you are looking to supplement your HSC experience with a School Based Traineeship in one of the following career related areas apply now.

- Sport and Recreation
- Engineering
- Customer Service
- Town Planning
- Business Services

- Financial Services
- Information Technology
- Marketing and Tourism
- Parks & Gardens

### HOW DO SCHOOL BASED TRAINEESHIPS WORK?

Students receive 100 days of paid employment at Council. They also complete a certificate course and receive credits towards their HSC. Students will also gain valuable workplace experience that will assist them with future employment prospects. **Highly motivated students should apply.**

Please contact Ms Bunyan for advice on how to apply. Traineeships will commence in early 2018.
