Looking for school documents?

NEW! Download the Junee High School Skoolbag App

Please note that most of our school documents such as newsletters, excursion notes, information booklets etc can be found on our school website:

You can find us at: www.junee-h.schools.nsw.edu.au

Principal's Message

Staffing:

We welcome a number of new staff to the school:

- Mr Peter Nicoll has taken leave and has been replaced by Ms Sally Raynes
- Mr Cameron Hands has moved, being replaced by Mrs Nicole Baldry
- Mr Clint Campbell has taken an extended teaching position at Wagga HS and has been replaced by Mr Matthew Benco.

I look forward to seeing our new staff do their best in supporting all students in their learning journey

Parent & Student Portal:

Thank you to parents who regularly log onto the portal to check messages, student assessments and attendance information. If you need support in accessing the portal, please come and see me so I can help. Many parents on so far have commented how they like to access to student timetables, checking what homework and assessments are due, as well as checking calendar events. Please keep the feedback coming.

2018 -2020 School Plan:

We are beginning the development of the 2018 school plan. In conjunction with tour Ngumba-Dal partner schools, we will be hosting a Community Consultation Breakfast on Thursday 20 July in the MPC. A light breakfast will be offered from 7:30am, before moving into school presentations and a chance to gain feedback from parents, community leaders and local businesses.

Feedback can be about:

- Things are schools are doing well
- Areas for development
- Ideas for the school plans for each of the five schools in the Ngumba-Dal Learning Community.

People can RSVP to the school by Wednesday 19 July

Cricket net opening:

The new Junee HS cricket nets will be officially opened on Monday 26 June with special guest Mr Stan Gilchrist and members of his family attending the opening at 12:30pm.

Mr Gilchrist was previously a Head Teacher at Junee HS, with many people remembering his skills as a teacher, ability to communicate with all and great welcoming nature.

We look forward to seeing Mr Gilchrist and hearing about his latest adventures, including the Lord Taverners, which Mr Gilchrist is a life member and active servant. The Lord Taverners has as their mission: "*Giving the young and disadvantaged a sporting chance that they would otherwise not have.*"

More information can be found at http://lordstavernersaus.org.au/

Invoices for subject fees:

Thank you to parents/ carers who have been able to finalise payments this year and have come in to pay since the last newsletter. To encourage the final payments and to provide an opportunity for those that have already contributed to their payments, we will hold a "thank you" raffle on Monday assembly in week 9, 19 June 2017. We will have six prizes of canteen vouchers for students that have paid their fees

Production: "Old Macbeth had a farm":

Best wishes to the outstanding efforts of staff, students and community members in putting together this year's production "Old Macbeth had a farm" Special thanks to Ms Mel Hyland, who is the guiding and driving force in the production, providing hours of after-school coaching and production time to have this show accomplished. It will be a great show – get your tickets early!

Attendance:

Well done to all students who have attendance above 95% and will be recognised at our term "Celebrate attendance" Morning Tea coming up. Students with dedicated attendance give themselves the best opportunities to learn in class and not miss work.

A reminder of attendance:

- All absences and late arrivals must be explained by a parent note/ phone call or text within 7 days of the absence
- Students are expected to catch up on missed work, seeing their teacher about work and assessments

- If a student is away on the day that an assessment is due, they are still expected to submit the assessment as soon as possible. Please check student assessment booklets for the details (Found on our website, the Parent portal or in your child's room, bag, under the bed)
- No student is permitted to leave the school grounds without signing out at the Front Office and having permission from their parents. This includes break times and senior study periods.
- Students with unsatisfactory attendance below 85% may be excluded from attending extra-curricular activities and excursions.

N warning letters:

Well done to the majority of students who complete their work and assessments with diligence and by the due date. Unfortunately, some students are not completing the work as required and have been issued with an N warning letter. This is a warning that the student may not complete the course and needs to complete the work. Students with N warning letters:

- May have their privileges withheld, such as attending extra-curricular activities and excursions;
- Senior students are not permitted to leave early or come late on any day;
- May be issued with ***Zero*** for the task, but must still complete the task for evidence that they are achieving the course outcomes.
- May be required to attend lunchtime sessions with their teacher to complete the work

Be your best. Be respectful. Be responsible

Mr Scott Frazier
Principal

U13's Country Cup

JHS U13's boys travelled to Tumut on Tuesday May 30 to compete in the small schools rugby league competition. Their first game was against St Anne's Temora, the boys were a bit nervous before the game, not knowing what to expect but they came out with an 18-4 win.

The next school that they came across was Sacred Heart, Cootamundra. Despite Cootamundra having some bigger boys, Junee High ended up winning 30-4 with great defence. JHS boys third game was against Tumbarumba High. They got off to a slow start, and at one stage there had been more tries scored than tackles made. In the second half the boys had control of the ball and weren't making any mistakes. The score ended up to be 28-8. All they needed to do now to make it to the next level was win their last game against McCauley Central, Tumut and they did. Every player contributed to a great win, 30-0.

It was an outstanding effort from our under 13's boys not to lose a game all day without any substitutes, injured players and kids who don't normally play on the weekend. They will now compete in the state semi-finals of the competition in Boorowa during July.

Jack McCarthy and Joel Crowder
Year 7 Students

What's happening in Careers?

HSC in the Holidays (live streamed)

For the last eleven years, HSC in the Holidays, in partnership with UTS, Macquarie University, UON and UOW have been conducting live events on campus for HSC students during holiday periods. The program includes lectures across 18 different subjects.

For the first time, we would like to extend an offer for students at your school to gain access to these lectures during the July holidays via our live streaming service. Year 12 students can view a high definition video that is broadcast live during these lectures. This will include all presentation material and access to detailed lecture notes.

Each lecture is designed specifically to increase student knowledge and skills prior to the HSC Trial Exams in Term 3.

Mrs Elaine Bunyan
Careers Adviser

HSC IN THE Holidays together with UTS UNIVERSITY OF TECHNOLOGY SYDNEY MACQUARIE UNIVERSITY

HSC TRIAL PREPARATION LECTURES STREAMED LIVE

CAN'T MAKE OUR HSC TRIAL PREPARATION LECTURES? DON'T MISS A THING WITH OUR HIGH DEFINITION STREAMING SERVICE!

Designed specifically for students who live in Regional NSW, our HSC Lectures are now available to everyone! With the latest in digital technology, all students now have the chance to participate in any of our subject-specific lectures.

What you get by subscribing:

- *Vital key content delivered by the most experienced, qualified and passionate HSC Teachers/Markers in NSW;*
- *Tips, tricks and strategies to improving your marks;*
- *Insights into what HSC markers are looking for within responses;*
- *How to respond to a range of HSC questions, including worked answers/solutions;*
- *Lectures supported by downloadable notes and summaries of key information*

Last year, over **3,420 students** participated in these lectures. **97% of students** stated that they would recommend to their friends! No matter where you live, you can now participate in these lectures to boost your Trial HSC mark.

All of our sessions are streamed live from our program partners UTS and Macquarie University.

FULL 4K PICTURE QUALITY, STREAMED TO ANY DEVICE!

EACH TWO-HOUR LECTURE IS ONLY $20

(DISCOUNTS PROVIDED TO SCHOOL GROUP BOOKINGS).

Each lecture runs for 2 hours, and students will also receive detailed lecture notes electronically.
