PROCEEDS RAISED TO GO TOWARD LOCAL PROGRAMS AND NEW ACTIVITY EQUIPMENT

CELEBRATING 50 YEARS  
1967-2017

## Principal's Message

### Congratulations Year 12

Congratulations Year 12 on completing 13 years of schooling and working towards your HSC. This certificate is recognised around the world and the results from this can open many doors and provide opportunities for them. I thank them for their efforts as students and leaders but also for their contribution to school life. I know the Junee branch of CanAssist will be especially thankful for their donations and support throughout the year.

We look forward to celebrating this momentous occasion on Wednesday morning at the graduation assembly.

### Student Leaders

Congratulations to the 2017-2018 leadership group, elected through student and staff voting.

Captains: Brody Longmore and Callum McCarthy

Vice-Captains: Abby Foley and Adam Spackman.

Our new leaders will take on their first leadership role when they host the Year 12 graduation assembly. We look forward to their leadership and positive role modelling during their term.

### Tell Them From Me

We will again participate in the Tell Them From Me school survey, allowing students, parents and teachers their input about Junee HS. Students will be allocated time during class in Week 1 Term 4 to complete this survey, as a follow up from the term 1 and previous year's surveys.

Parents can access the survey in your own time, before Friday 13 October 2017.

**Follow the link on your computer or tablet:**  
**<https://nsw.tellthemfromme.com/jhs>**

Parents may complete the survey here at school, where we will have dedicated electronic devices available at the office.

### School Ball

Not long now until the School Ball, with practice organised and tickets on sale this week

Best wishes to all organising their outfits, table decorations as well as remembering their dance steps!

### P&C

Thank you to parents who were able to attend our latest meeting, sharing ideas about fundraising, school

fete, school staffing and the School Ball. Our next meeting will be in week 3 of next term, 25 October, 7pm in staff common room. The day has changed to Wednesdays, to coincide with Empower PM.

*Be your best. Be respectful. Be responsible*

*Mr Scott Frazier*  
Principal

## The Rock

Last Thursday, Junee High School visited The Rock Nature Reserve - Kengal Aboriginal Place as a sport reward excursion. This excursion was to celebrate student's outstanding effort and enthusiasm at Thursday afternoon sport throughout the year. Students were involved in discussions on the significance of Kengal to Aboriginal people. RUOK? Day was acknowledged at the top of the climb and students held conversations on how they can support their friends in times of need. After our exhausting climb students were treated to a BBQ lunch cooked by Mr Knox and his wonderful helpers. Thank you to all students for their exceptional conduct on the day.

*Mr Anthony Stokes*  
PDHPE / Sport Coordinator

**Showcasing:** Coolamon, Cootamundra-Gundagai, Temora, & Junee

**9-4PM SEPTEMBER 23**  
**TEMORA SHOWGROUNDS, TEMORA**  
**REGISTER TO ATTEND [www.countrychange.com.au](http://www.countrychange.com.au)**

## Playgroup

Last Thursday marked the completion of Playgroup for 2017. The students would like to thank all those that attended each week. It would not have been possible without you. The girls enjoyed each and every week and learnt something new along the journey. We look forward to seeing you all again next year.

*Miss Olivia Hounsell*  
PDHPE / Child Studies

## Jewish Museum

Last Friday, Year 12 Modern History students attended the Jewish Museum in Sydney. After an early start to the day, students arrived in Sydney for a tour of the museum, viewing artefacts and hearing stories from the Holocaust. Students then attended two lectures delivered by university historians and Holocaust experts who explored course topics, further assisting students in their preparation for HSC exams. The day was both educational and inspiring with the highlight, hearing the personal experiences of a Holocaust survivor who was 10 years old when Hitler rose to power.

*Miss Kalia Forde*  
English/History

## P&C Report

The Junee High School Ball is this Thursday and the P&C are busy organising food for this night. Thanks to all our workers on the night, P&C appreciate your help.

It has been a busy term for our P&C members, they have worked hard on fundraising events and do a lot for the school. They need to be congratulated for their efforts.

The JHS Cook Book will be on sale at the upcoming fete on Friday November 3. The book is a real eye

opener. Our Fete is coming along well, Miss Bree Bigger and the P&C committee are very busy organising this. A new attraction for the Fete is a car display from GasWorks Garage. Roger Moore is a past student of Junee High and after owning a family car business in Junee for a number of years he is currently using his expertise in the car museum at the Junee Licorice Factory. We are glad to have Roger join us for the evening.

Mr Hands and his Robotics students are having a robotics display. The students have just been away for State Robo Cup and will have a good demonstration for us. P&C thanks Mr Hands for his hard work with this display; there are lots of community people interested in watching this demonstration. There is a lot of work that goes into programming and building these robots and it is a real challenge for the students to make the robots complete their tasks.

IGA are another of our fete sponsors. We thank them for their support and it is always good to shop locally at IGA Junee for lots of good specials.

I hope everyone has a good holiday and are looking forward to another great term.

*Julie Shepherd*  
P&C Secretary
