Principals Report

Welcome to this next edition of our newsletter. With so many events and opportunities going on for students, it is great to be able to bring you the news!

School Upgrades

- Our sports courts re-surface project is going well, with this expected to be in use by week 9
- The installation of the Aboriginal wall artwork, representing the Junee Shire to the Administration building entrance as a sign

- Solar panels are being connected with an additional 35kw system installed later in 2019
- 2 installed cold water refill stations with another one installed in next few weeks at the MPC
- Quadrangle seating

Uniform

The next P&C Meeting will be held on Wednesday 19 June. I thank everyone who is able to attend to do so in order for the P&C to continue their great support of our school.

We have been exploring the possibilities of new school shirts and have discussed new fabric and styling. Please

attend the meeting if you would like some input into the decision. If approved, we are planning to have these shirts available from the beginning 2020.

Some feedback has been:

Senior Shirt – 5 days a week

Junior Shirt – Five days a week (no yellow sport shirt)

Nationally Consistent Collection of Data

All schools across Australia will again be participating in the Nationally Consistent Collection of Data (NCCD) on school students with disability. Our involvement in this process is crucial, as it will provide valuable information about support required for a broad group of students in our schools. The NCCD enables national and state governments to better target support and resources in schools, which in turn, helps schools access support for all students with additional needs.

The NCCD is not limited to students with diagnosed disabilities. It uses a very broad definition of disability, taken from the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, which includes a range of health issues and learning difficulties where schools implement strategies to support students in participating effectively in their learning.

The data collection will have no direct impact on your child and they will not be involved in any testing process.

The NSW Department of Education will provide data to the Australian Government from all NSW public schools in such a way that no individual student or school will be able to be identified. In this way, we will ensure the privacy and confidentiality of all students.

All information is protected by privacy laws, which regulate the collection, storage, and disclosure of personal information. Information about the Australian Government's Privacy Policy can be found here: <https://www.education.gov.au/privacy-policy>.

Information about the NSW Government's privacy policies can be found here: <http://www.ipc.nsw.gov.au/>.

The data collection will take place in August. No personal or identifying information about any student will be included, however, if you decide you do not wish information about your child to be included in the NCCD, you are asked to contact the school to discuss your concerns. If you are still concerned you should request and complete an opt-out form and return to the principal.

For the parent fact sheet: <https://cpb-ap-se2.wpmucdn.com/www.aurora.nsw.edu.au/dist/c/1/files/2018/05/2018 - nccd - fact sheet for parents and carers english-wbel4a.pdf>

More information about the NCCD is available: <http://www.schooldisabilitydatapl.edu.au/>.

If you have any questions, please feel welcome to contact Rhonda Heffernan, Learning & Support teacher and Head Teacher teaching & Learning or myself.

Subject Elective Fees

Thank you to parents for paying the compulsory elective fees for subjects in Year 9, 10, 11 and 12. These fees pay for materials and resources for each of the elective subjects. In TAS practical subjects, the materials are used in the making of their products and foods created.

In other subjects, the payments are needed to purchase materials that are used such as musical instruments, sporting equipment, robots or technology supplies.

HSC Parent and Student Evening

Thanks to the parents and students who attended the meeting where our staff explained the HSC and exams. Time was spent going through the next 6 months for the students and how they can effectively prepare for their best HSC result.

I thank Mrs Bunyan, Mrs S Heffernan and Ms Asmus for their advice. If you missed the evening and would like to learn more, please contact one of the ladies at school.

Student Absence

Thank you to parents who continue to inform us when their child is absent. This can be done through a note, email, phone call or return message to our SMS system. Any absence after 5 days without a note will be classed as unjustified absence, until an explanation of the absence. Student absence can affect their eligibility to attend excursions or to represent the school.

If a student knows they will be absent, it is their responsibility to see their teachers for work they will miss or to submit assessment tasks before the due date. Students who will be absent for 5 days or more should see myself or Mr Turner to pick up a "Student Absence" sheet and take this around to their teachers to collect work for the period of their absence.

Thanks all!

Be Your best

Be Respectful

Be Responsible

Mr Scott Frazier

What's Happening in Careers

RMIT Information Evening – Albury

Thursday 6 June 6.30pm – 8.00pm Mantra, Albury
Join RMIT at their Student and Parent Information Evening in Albury. Topics they will cover in this session include:

- Study areas at RMIT
- What it's like living in the world's most liveable city
- Industry experience available within our courses
- Scholarships and fees
- The RMIT SNAP program and applying through SEAS
- Accommodation options

Find out more and register: <https://www.rmit.edu.au/events/all-events/special-events/2019/june/rmit-university-information-evening-albury-2019>

Aboriginal Summer School for Excellence in Technology and Science (ASSETS)

ASSETS is a program that targets high-achieving Year 10 students, bringing them together for a residential summer school. The summer schools are open to Aboriginal and Torres Strait Islander Year 10 students from across Australia.

2020 summer schools will be held in Newcastle and Adelaide on the following dates:

Newcastle: 5 – 13 January 2020 (Science Focus: Water Chemistry and Renewable Energy)

Adelaide: 15 – 23 January 2020 (Science Focus: Biodiversity, Food and Nutrition)

There is no cost for students to attend the nine-day summer school with return airfares, accommodation and meals all provided.

Eligible students are those who:

- are completing Year 10 studies in 2019
- have an interest and demonstrated ability in science and mathematics
- identify with their Aboriginal and/or Torres Strait Islander culture and heritage
- Are prepared to challenge themselves academically and personally in a supportive environment.

Applications close Monday 24 June.

To find out more and apply, visit the CSIRO's website.

Wagga Wagga Careers Expo

This expo will be held on Wednesday 19 June at The Range function centre in Wagga. It is expected that all of Year 12 attend. Notes have been handed out and need to be returned by Monday 17 June. Students in Year 11 are encouraged to attend. The expo will showcase the following post school options with over 80 exhibitors in attendance. ADF, NSW Police, teach. NSW, local employers and employment agencies, universities, TAFE and private providers.

RACI Crystal Growing Competition

For the last 5 weeks Science students have been growing crystals to enter in the 2019 RACI Crystal Growing Competition. Wish them luck as these have been sent in for judging! Results should come back late this term or early Term 3.

Depth Study Excursion to Goldenfields Water

Year 11 and 12 Science students conducted a Depth Study at the Goldenfields Water Treatment Facilities at Jugiong as a mandatory component of their curriculum.

Students saw firsthand, the water treatment process and learned about the science behind the process. The depth study included a tour of the facilities, hands-on water testing investigations, meeting some of the Goldenfields team and exploring career opportunities with Goldenfields.

Thank you very much Goldenfields for hosting this event! We look forward to visiting again next year!

Illabo Melodrama

For the first time JHS was involved in the Illabo Melodrama Production this year. Students were responsible for lighting and sound which involved attending setting up, several rehearsals, 4 shows and packing up. It was a great opportunity and a lot of fun! We look forward to being involved in 2021!

Thank you very much to the Illabo Melodrama for your kind donation to the school. This will help us purchase new light and sound equipment.

Playgroup Every Tuesday @ Junee High

Don't forget every Tuesday morning from 9am- 10:30 children aged 0 to 6 are invited to attend playgroup in the MPC Hall @ Junee High where they can enjoy arts and crafts, games and outdoor activities. There will be stories and lots of information shared. Everyone is more than welcome! Bring a hat and piece of fruit to share.

Premier Sporting Challenge Day

On Wednesday 22 May, Junee High School hosted the Premier's Sporting Challenge Leading with Action day. Junee High's sports coaching students ran a number of coaching sessions for the Ngumba-Dal primary schools. Students demonstrated great leadership and excellent coaching sessions, keeping all students actively engaged throughout the duration of the day. We thank all the primary schools involved and look forward to next year.

White Card Training

On Tuesday a group of students completed their White Card training with Bob Hughes through Allen's Training. The students had a great day where they learnt a lot about working safely in the construction industry. All were successful in obtaining their White Cards which now allows them to enter or work on a construction site. Hopefully some of the students will now use their qualification to undertake work experience.

League Tag Carnival

On Friday 24 May Junee High School participated in the South West 7-9 League Tag Carnival at Wagga Wagga. The girls played a total of four games against Wagga Wagga, Temora, Tumbarumba and Tumut High Schools. The girls confidence and ability progressed throughout the duration of the day. Junee was successful in two of the four games against Tumbarumba and Tumut High School. During each of the games the girls displayed great sportsmanship and encouragement of each other. There were a number of score triers on the day including Tenaya Gerhard, Evi Duck, Anabelle Willis, Sophie Walker and Grace Robertson. Some of the star players at the carnival were Mangi Te-Marua Davis and Eve Slattery-Bennett who were awarded players players.

Waste Management Done Right!

Junee High School is continuing the work of Junee Shire Council with appropriate waste management. We have 24 new bins to go with 12 already labelled at school. We encourage all JHS members to use the correct bin.

One difference is our yellow bins are designed for the "Return and Earn" containers, raising funds for school. Already over 200 items have been redeemed with funds returning to school to assist with the school's Breakfast Program.

Paper and cardboard do not go in the yellow bins, but are deposited in our "Paper recycling" boxes in classrooms and staffroom, with all paper and cardboard going into the Lions Club bale near TAS.

RECYCLING

-  Clear, brown and green glass bottles and jars (rinsed, no lids)
-  Plastic bottles, soft drink bottles and containers (rinsed, no lids)
-
-  Cardboard boxes, milk and juice cartons
-  Newspapers, magazines, office paper and junk mail, including window envelopes
-  Plastic bags, light bulbs, mirrors or drinking glasses, food or general waste, ceramics, crockery or ovenware, foam or polystyrene, waxed cardboard boxes

FOOD & GARDEN

-  All food waste and scraps
-  Meat, chicken and fish scraps and bones
-  Tea bags, coffee grounds
-  Fruit and vegetable scraps
-  Cake, bread, rice, pasta
-  Garden waste, lawn clippings, prunings, small sticks, twigs and flowers
-  Shredded paper, paper towel, serviettes
-  Council provided compostable caddy liner
-
-  Plastic bags, food packaging, cling wrap or recyclables

GARBAGE

-  General waste
-  Plastic bags
-  Packets, wrappers, cling wrap and bubble wrap
-  Nappies and sanitary waste, wrapped tightly and stored in well-sealed bags
-  Foam, polystyrene
-  Light globes, mirrors, ceramics, cookware and drinking glasses
-
-  Building materials, syringes, oil or paint, gas bottles, hazardous or chemical waste
-  Medical waste (speak to your doctor or pharmacy)

WINTER 2019

WWW.JUNEE.NSW.GOV.AU

WASTE MANAGEMENT DONE RIGHT!

Waste management is the collection, monitoring, disposal, transportation and recycling of waste. It is important to use waste management to protect our environment and the health of the population.

Truck loads of contaminated recycling are being sent to landfill for disposal simply because the **WRONG** things are being put into recycle bins.

We all need to be vigilant and make sure we **KNOW** what is recyclable before it goes into the recycle bin.

To recycle properly make sure to:

- Remove lids from bottles and place lids into the rubbish bin.
- Rinse all bottles, jars and containers before recycling.
- Don't put broken glass, ceramics, window glass, light globes, soiled cardboard, food scraps or garden waste in the recycling bin.

Remember: IF YOU'RE NOT RECYCLING RIGHT.....YOU'RE NOT RECYCLING AT ALL

RURAL TRANSFER STATIONS:

ONLY household waste and recyclables are to be left at the rural transfer sites. All farm waste (including bulky building waste) is to be taken to Junee Waste Landfill Facility which also has services to handle used oil, scrap metal, green waste and tyres.

JUNEE WASTE LANDFILL FACILITY HOURS:

Tuesday: 8:30am - 4:30pm

Wednesday: 10:00am - 4:30pm

Friday: 11:00am - 4:30pm

Saturday: 10:00am - 5:00pm

Sunday: 10:00am - 4:30pm

Monday & Thursday: CLOSED

FOOD & GARDEN

- All food waste and scraps
- Meat, chicken and fish scraps and bones
- Tea bags, coffee grounds
- Fruit and vegetable scraps
- Cake, bread, rice, pasta
- Garden waste, lawn clippings, prunings, small sticks, twigs and flowers
- Shredded paper, paper towel, serviettes
- Council provided compostable caddy liner

.....

- Plastic bags, food packaging, cling wrap or recyclables

RECYCLING

- All recycling
- Steel, tin, aluminium cans including empty aerosols
- Clear, brown and green glass bottles and jars (rinsed, no lids)
- Plastic bottles, soft drink bottles and containers (rinsed, no lids)
- Cardboard boxes, milk and juice cartons
- Newspapers, magazines, office paper and junk mail, including window envelopes

.....

- Plastic bags, light bulbs, mirrors or drinking glasses, food or general waste, ceramics, crockery or ovenware, foam or polystyrene, waxed cardboard boxes
