Principal's Report

New Year 12 Cohort

Our new Year 12 cohort has quickly moved into their Year 12 studies, which has been pleasing to see. Staff have been impressed by their application and bringing required equipment. The students have continued utilising the BYOD/ lend a device policy to help with their studies and are regularly accessing this resource. They have access to all their syllabus, google classroom learning activities and assessments, ATOMI HSC videos and quizzes in conjunction with reports and feedback from their teachers.

All students also have their:

- Assessment schedule and Scope & Sequence, detailing all their units of learning, outcomes and assessments for the year
- Appeal/ request form in case of illness, misadventure, request for extension of time or for a review of assessment
- Senior commitment booklet, outlining their responsibilities as a senior student, as well as the option of arriving at school period 2 or leaving after period 5 if they do not have a scheduled class in period 1 or 6.
- NESAs Rules & Procedures for the 2021 HSC

Senior students have the opportunity to leave in period 6 or come late in period 1 IF they have a private study period and they are following their senior commitment responsibilities. Year 12 have taken the offer of their own room, enjoying the space and company.

Electronic Devices Policy

I have been impressed with the vast majority of students living up to our high expectations of electronic devices being "Off & Away" during class learning time. Thank you to all parents and carers for supporting our school with this policy, helping to have students feel safe in class and being able to focus on their learning.

Attendance

A reminder to please call the office as your first call if you need your child during class times. I have included our class times each week later in this section.

Attendance is also important from the start of the day, allowing students to have their name recorded on our daily, roll, hear important messages and be prepared for any changes of rooms and teachers for their school day. Any student not arriving at school by 8:52am roll call

needs to sign in at the office. Parents should supply their child with a note within 14 days explaining the lateness.

Yr 6 into 7 Transition

We welcome our 2020 Year 7 students to Junee HS with 2 transition days of the students taking part in classroom lessons, on 17 November and 1 December. Ms Mel Hyland, the year 7 Year Advisor has met with local schools and the excited children to prepare the next step in their educational adventure. Each new Year 7 student will also receive a school shirt to assist with their transition. Order forms will be given to them on Tuesday 17 November for the rest of their uniform.

Bell Times

Day/ week structure:

The school operates on 53-minute periods and a 10-day cycle. We run Week 1 and Week 2. Six periods per day with two breaks (30 minutes each).

School Uniform Polo Shirts and Canterbury Shorts

A reminder that uniform order forms are available at the front office. There are try-ons available for sizing. Orders **MUST** be completed and paid for by Friday 27 November 2020 if you wish your child to have items early next year. Our uniform shop holds minimum stock levels due to cost.

Geography: 'Changing Places'

On Thursday 22 October 2020 Stage 5 students attended a Geography incursion for the module 'Changing Places'. Students listened to three keynote speakers discuss their international migration experiences.

Our very interesting speakers included Spanish born Sydney resident, Consuelo (Chelo) Salter, Michael, a skilled migrant from Oxfordshire, and our SLSO Sadie, who migrated from Canada to Junee.

This immersive experience allowed students to gain a comprehensive understanding of an array of experiences had by those who migrate and settle in Australia.

The session was a huge success and a good time (and a bit of 'banter') was had by all involved. Thanks to staff, students and of course our guests.

Ms C Salter
HSIE Teacher

Book Week thank you

Thanks so much for all of the gold coin donations during Book Week! Together Junee High School has raised

\$203 that we have donated to The Indigenous Literacy Foundation.

Overdue Loans

There is a large amount of books on loan that are overdue and need to be returned. Seniors with textbooks can return items from their year 11 courses and any subjects that they discontinue with in their HSC year. Students in years 7-10 please return items that are overdue as I would like to avoid asking families to cover the cost to replace these items. Overdue notices will be distributed again this week.
