## Principal's Report

Welcome everyone to the Week 9 newsletter. Sorry for the delay! There is a lot happening at school, however we are also greatly impacted by staff shortages. I commend my staff for going above and beyond in their roles in taking extra lessons, duties and supporting other staff on leave. We are doing our best to cover classes and provide a teacher in front of every class. This has not been possible every day and I apologise to students and families when we have had to combine classes or have supervisory lessons. There is always learning that is provided to students and we are grateful that students have access to digital devices so they can access learning anywhere.

### Staffing

We are still searching for a number of positions for Term 3, but have some organised

Principal position: has been advertised, with interviews and appointment scheduled for very early Term 3. There is likely to be a relieving principal in place for the first 5 weeks before the new principal starts.

Support Unit teacher: Thank you to John D'Alessandro for his efforts teaching with us for the past 3.5 years. John is moving into a position with Department of Justice. We wish him well!!! This position will be covered in Term 3 with the permanent position being advertised next semester.

Maths teacher: Still being advertised

PDHPE teacher: Mr Rhys Harvey will start in this permanent role in Term 3.

SLSO Support Unit: Congratulations to Mrs Cherie Smith who has gained this position through merit selection. She will start in Term 3.

### 2022 Curriculum

We are beginning our work on building the 2022 curriculum, organising staffing and classes.

Year 10 will experience "Immersion Week" early in Term 3, where they will be able to attend Year 11 & 12 classes and get a feel for the subjects they are considering. This will culminate in an afternoon expo, with past students talking with the group to explain their senior school choices and advice for our students.

## Parent & Student Portal

Thank you to parents who regularly log onto the portal to check messages, student assessments and attendance information. If you need support in accessing the portal, please come and see me so I can help. Many parents on so far have commented how they like to access to student timetables, checking what homework and assessments are due, as well as checking calendar events. Please keep the feedback coming.

### Attendance

Well done to all students who have attendance above 95% and will be recognised at our term "Celebrate attendance" morning Tea coming up. Students with dedicated attendance give themselves the best opportunities to learn in class and not miss work.

A reminder of attendance:

- All absences and late arrivals must be explained by a parent note/ phone call or text within seven days of the absence
- Students are expected to catch up on missed work, seeing their teacher about work and assessments
- If a student is away on the day that an assessment is due, they are still expected to submit the assessment as soon as possible. Please check student assessment booklets for the details (Found on our website, the Parent portal or in your child's room, bag, under the bed)
- No student is permitted to leave the school grounds without signing out at the Front Office and having permission from their parents. This includes break times and senior study periods.
- Students with unsatisfactory attendance below 85% may be stopped to attend extra-curricular activities and excursions.

### N Warning Letters

Well done to the majority of students who complete their work and assessments with diligence and by the due date. Unfortunately, some students are not completing the work as required and have been issued with an N warning letter. This is a warning that the student may not complete the course and needs to complete the work. Students with n warning letters:

- May have their privileges withheld, such as attending extra-curricular activities and excursions;

- Senior students are not permitted to leave early or come late on any day;
- May be issued with **Zero** for the task, but must still complete the task for evidence that they are achieving the course outcomes.
- May be required to attend lunchtime sessions with their teacher to complete the work

*Be your best. Be respectful. Be responsible*

**Mr Scott Frazier**  
Principal

## Canteen Orders Online

Don't forget our school is now offering online lunch orders. Payment can be made online and ordering can be done up until 10:30am on the day.

This is not an app.

## Back To The 80's Production Show

Don't forget to buy your tickets from the front office for Junee High Schools 'BACK TO THE 80'S MUSICAL' this Wednesday Night, 16 June.

\$7 adult ticket

\$5 child ticket

## Years 9/10 Touch

Today our years 9/10 teams competed in the All Schools Competition at Jubilee Park. Unfortunately, we did not make the finals but had a great day overall. Players players for the day went to Cooper Vanzanten and Kate Foley. Congratulations to all the students who participated and thank you to our amazing parents who assisted on the day.

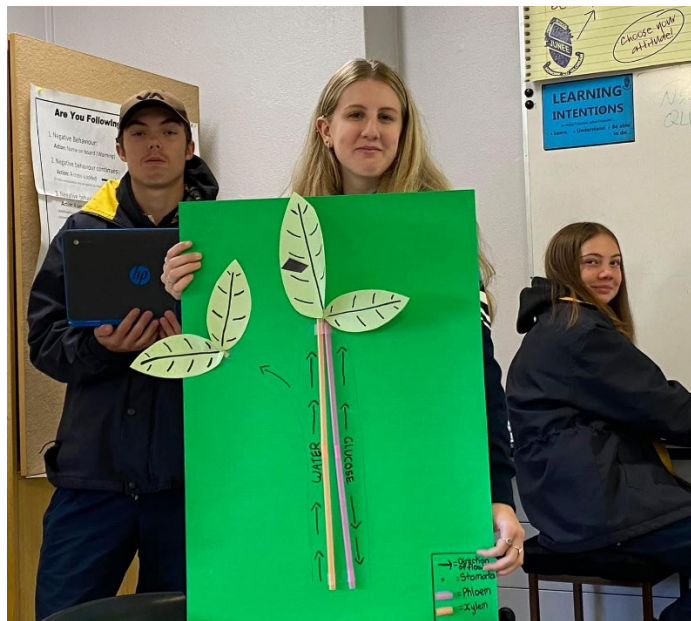

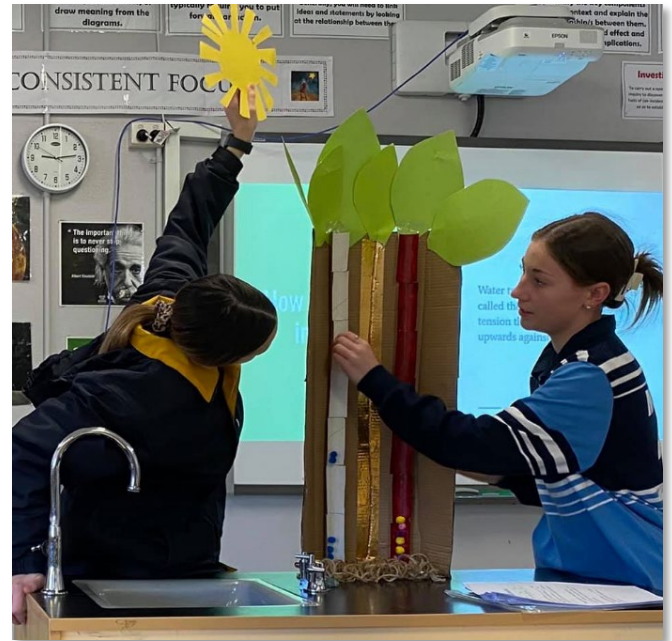

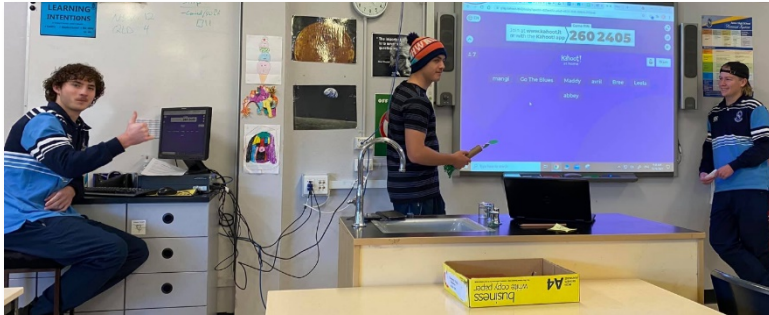

## Year 11 Biology Students

Mr Fellows and JHS are proud of the Year 11 Biology Students.

They demonstrated creative and critical thinking and presented some amazing models showing how plants work.

Well done!

## SCHOOL HOLIDAY ACTIVITIES

Have you secured your spots for the remaining school holiday activities?

**X FIT / FUNCTIONAL FITNESS** - Tuesday 16 July @ [Junee Recreation and Aquatic Centre](#): A fitness session designed for the older kids to help them move well, get fit and build strength while enjoying the benefits of a supportive team environment. Contact Council on 6924 8100 to book.
