Principal's Report

New Principal Appointed

I would like to announce Mr Darren Hamilton has accepted the position of Principal Junee High School. While this position is subject to an appeals period, it is anticipated Mr Hamilton will begin his role as Principal on Monday 2 August 2021.

We look forward to welcoming Darren into our school and community.

I will be continuing in my role until Friday 13 August. This means we will have two weeks where Darren and I will be working together.

We will be able to perform a comprehensive handover of the responsibilities of the school.

Year 10 2021 - Year 11 2022

The school will be providing advice for student and parents about Year 11 2022 subject selections on Wednesday 28 July at 6.00pm.

We will send out a Zoom link to all parents next week. We expect the session to run for 45 minutes and complement the written information booklets which will be made available to all students.

Peter King
Relieving Principal Junee HS

NSW Education Standards Authority

Reading, writing and numeracy — skills for everyday life

The HSC minimum standard has been introduced to ensure students have the reading, writing and numeracy skills needed for everyday life, work and further study.

<p>What this means for students</p> <p>Students need to meet the HSC minimum standard to receive the HSC. To show they meet this standard, students need to achieve Level 3 in short online reading, writing and numeracy tests. Schools will help students to decide when they are ready to take each test. Students get four chances a year to sit each test, from Year 10 up to five years after starting their first HSC course.</p> <p>Only students who meet the HSC minimum standard will receive an HSC testamur.</p>	<p>Provisions and exemptions</p> <p>Students do not need to meet the HSC minimum standard to:</p> <ul style="list-style-type: none"> - study HSC courses - sit HSC exams - receive HSC assessment and exam results - receive an ATAR - receive a Record of School Achievement. <p>Provisions are available for some students with disability. Some students with a disability studying Life Skills courses may also be exempt from meeting the minimum standard to receive their HSC testamur.</p>

Junee Youth Employment Partnership Program

The last night of Term 2 saw the first group of students graduate from the Junee Youth Employment Partnership Program. This unique program sees participants develop employability skills in the hospitality industry as well as gain 3 units from the Hospitality training package. Amazing. The students planned the evening, set the tables, served and presented to the invited guests. They did an amazing job.

Safer Drivers Course

Do you wish to participate in the Safer Drivers Course? **To be eligible to attend you must have completed 50 actual driving hours in your logbook** – not including the 3 for 1 with a Driving Instructor.

Complete your details below, select a venue and date, and submit your booking. Please note the course costs \$140 pp which will be payable upon confirmation of your booking.

State of Origin CANCELLED

As you are aware the State of Origin PASS excursion was cancelled due to COVID restrictions.

There are four options for refunds:

1. Money paid can be used to pay for outstanding subject elective fees.
2. The money can stay in the students cash desk to be used when payments are needed.
3. Full payment re-processed to pay for the surf trip in December.
4. Full refund can be given - this option legally requires a 'Student Refund Application (School)' form to be completed and returned to the office.

The form can be emailed to you or collected from the office.

Please contact the office on 6924 1666, so the funds can be processed according to your preference.

COVID Advice at School

Reminder for all families: Students should not attend school if unwell, even with mild symptoms of COVID-19. Any person with any COVID-19 symptoms should be sent home and should not return until they have received a negative test result and are symptom-free. In circumstances where children have other medical reasons for recurrent symptoms a letter from their GP is sufficient to negate the requirement for a negative test. Anyone who is unwell with COVID-19 symptoms is strongly encouraged to get tested and self-isolate until a negative result is received.

Masks and face covering: While at school, masks or face coverings are **recommended** in all indoor settings for:

- all students in Year 7 and above
- all staff in school settings.

Masks are mandatory on public transport. This applies to students aged 13 years and over, and staff when travelling to and from school and during school excursions by public transport or by chartered or private transport services.

Visitors: Non-essential visitors are not permitted in schools. Some visitors are permitted in schools based on the guidelines that follow. Parents and carers must follow their school's advice regarding changes to drop off and pick up including staying in the car when dropping off and picking up children if safe to do so.

Parents:

- maintain physical distancing by avoiding gathering outside of school gates
- remain outside of school grounds (note some exceptions may apply regarding schools for specific purposes, vulnerable students or students with disability)
- follow mask-wearing requirements and sign in using the Service NSW QR code when entering the school.

QR code sign-in process for all staff and visitors:

The NSW Government have introduced mandatory QR codes across a range of additional settings, including schools.

Parents and carers permitted on school sites for specific purposes are required to check in using the QR code.

INFORMATION FOR CUSTOMERS

Australian Government Mobile Service Centre

Serving Regional Australia

Visit the Mobile Service Centre to find out about Australian Government payments and services for rural families, older Australians, students, job seekers, people with disability, carers, farmers and self-employed people.

Information about Department of Veterans' Affairs programs and support services for veterans and their families will also be available.

Staff can provide you with information and support. They can also help you create a myGov account. myGov is a simple and secure way to access government services online.
