Principal's Report

As we go into the Term 3 holidays, it is timely that we reflect on the great opportunities provided and successes over the term. Thank you to all the students and parents who have continued to participate and work hard in each class through to the end of term despite the external issues with illness. I look forward to seeing more of this high level of work ethic towards school-based programs into Term 4.

School Ball 2022

I commend the staff and students in the planning and setting up of the **"Glitz and Glamour"** themed **School Ball** for 2022. It is quite impressive to see year groups and staff working together in the setting up of the Multi-Purpose Centre for this wonderful occasion. Having seen the decorations on the afternoon of the ball, it is planned to be an exciting night and I thank Ms Amanda Crane and the team of staff and students who have worked exceptionally hard in the lead up to the event.

Year 12 Graduation

Our graduating students of Year 12 2022 were celebrated on Tuesday 20 September. Each student can be proud of their achievements, often referenced by staff and junior students in their respective speeches. To see so many parents and friends of Year 12 is also a testament to the shared effort and support provided for this great group of young adults. In referencing several motivational quotes, it is now important for Year 12 to continue to work hard in study through to the end of their Higher School Certificate examinations. Best of luck for Year 12 and their families in this process over the next two weeks. As in my speech to Year 12, where I quoted Malcolm X, the noted human rights activist and minister, "Education is the passport to the future, for tomorrow belongs to those who prepare for it today".

Wellbeing Day and NAIDOC celebrations

Our first ever **Wellbeing Day** and whole school **NAIDOC celebrations** activity days were held this term. These highly successful days highlighted the importance of wellbeing processes, supports and utilising the experiences of high-profile sports stars of Play School Legend, Mr Luke Carroll and South Sydney and NSW State of Origin Stars, Latrell Mitchell and Cody Walker. Luke also acted as MC for an informal Q+A session with both of the Rugby League stars in our Multi-Purpose Centre. This was a fantastic opportunity for both students and staff to listen to their journey through representative sport and the links to their proud Aboriginal culture story in overcoming adversity and their own stories of Wellbeing.

Our NAIDOC day of celebration was greatly supported by Departmental and local Aboriginal people in the delivery of Language, Music, Food and Culture through weaving. A big thanks to Mrs Tammy Makeham and Mrs Christine Harris for language, Mr Luke Wighton for the Yidaki (Didgeridoo) workshop, Aunty Pam Honeysett – Maxine Honeysett and Tijana Tuvale for the weaving workshop.

As one of the presenters stated, *"The day was marambangbilang (deadly)"!*

Year 12 Ronald McDonald House Fundraiser

This year, Mr Bedford and Year 12 have exceeded all expectations in the amount of money raised for Ronald McDonald House by this small group of 16 students. The school was blown away when the final figure amounting to over \$8000 was communicated to the rest of the school during the Year 12 assembly on Tuesday 20 September.

A massive thank you to our local Mayor, Mr Neil Smith, in being a sport in building the profile of the charity, acting up for our cameras on the day and supporting the year group in the collection of donations for the Ronald McDonald House Charity. This was also highlighted in the presentation of the donation to Ms Lisa Simpson from Wagga Ronald McDonald House, where she openly acknowledged to the school assembly on the massive effort undertaken for such a small cohort in raising so much money.

Transition days for Year 6 into Year 7

Years 6 students from Junee Public School, Illabo Public School, Junee North Public School, St Joseph's Public School and Eurongilly PS will be attending Junee High School for transition days in Term Four. Tuesday 1, 15 and 29 will be the three transition days planned for the processes of transitioning into high school. We look forward to these days where students will have the opportunity to engage in activities and lessons each

day. More information will be provided in writing to parents and in person prior to these days commencing. If you have any questions, please contact the school.

In closing, I hope that all students have a fantastic holiday period and are able to spend the time with family as we return to school on Monday 10 October for all students.

Leadership Team for 2023

Congratulations to our new senior student leadership team; School Captains for 2023. Jasper Makeham and Claire Foley.

School Vice Captains for 2023. Madeleine Cameron, Russell Callaghan and Paige Vanzanten.

These student leaders were able to conduct themselves with poise and composure through their first official function in running the Year 12 Graduation Assembly on Tuesday 20 September.

Congratulations to these students for seeking to engage with the nomination processes, which included speaking in front of their peers and staff. I look forward to watching their growth as leaders over the next 12 months.

Mr Darren Hamilton
Principal

School Payments

You can make payments by scanning this QR code, which will take you to the payment area:

Please include your **POP receipt number** in the space provided on your child's permission note or remittance slip.

Farewell Year 12

As part of their final week celebrations, Year 12 students have kidnapped the Mayor and put him in jail at the IGA carpark. Donations were received from the public for his release or...or perhaps to keep him there.

All monies raised are being donated to the Year 12's chosen charity Ronald McDonald House.

An amazing amount of over \$8000 has been raised for Ronald McDonald House Charities.

We would like to thank to following businesses for their kind and generous donations.

Junee Prime Lamb

Commercial Hotel Junee

MPF Engineering

Junee Licorice & Chocolate Factory

Thank you to the surrounding Shire Council's for their kind donations.

Mayor Rick Firman – Temora Shire Council

Year 12 Farewell Assembly

Mr Andy Bedford
Year 12 Adviser

Leadership Team for 2023

Congratulations to our new senior student leadership team; **School Captains for 2023** are Jasper Makeham and Claire Foley.

School Vice Captains for 2023 Madeleine Cameron, Russell Callaghan and Paige Vanzanten.

These student leaders were able to conduct themselves with poise and composure through their first official function in running the Year 12 Graduation Assembly on Tuesday 20 September.

Congratulations to these students for seeking to engage with the nomination processes, which included speaking in front of their peers and staff. I look forward to watching their growth as leaders over the next 12 months.

NAIDOC Celebrations

Last Friday, JHS participated in our whole school NAIDOC celebrations.

Uncle Hewitt started our day with a Welcome to Country Smoking Ceremony, supported by the JHS Aboriginal Dancers. During our assembly, NAIDOC awards were presented, Uncle Hewitt spoke of the meaning of NAIDOC, and our JHS Aboriginal Dance Group performed their dance piece which they co-choreographed earlier in the year with the Bangarra Youth Program.

A wonderful day was had by all, participating in Didgeridoo workshops with Luke Wighton, weaving with Aunty Pam, Maxine and Tijana, language with Christine and Tammy and Yulunga Traditional Indigenous games. Through lunch, a free sausage sizzle was provided along with options to try kangaroo, barramundi and wattleseed ice-cream.

All staff and students embraced the day. It was great to see everyone's smiling faces as everyone engaged in all activities.

Sister School Program

Junee High School and Cowra High School are participating in a sister-school program, where both schools will work together to engage their communities in culture. Cowra High School students visited JHS during our student Well-Being Day, interviewing our students who were successful in gaining a part in the School Spectacular Aboriginal Dance Ensemble for 2022. This interview will feature in Cowra High School's Newspaper. We are excited to be involved in this sister program and working with Cowra High more in the future.

Aboriginal Education Officer

Preparing for the HSC

The Department of Education have a range of online resources to help HSC students prepare for their upcoming exams on the [Stay healthy HSC](#) site. Here's an example of some of the helpful tips you'll find:

7 ways you and your mates can support each other.

- 👍 Be proud of your resilience
- 👍 Check in with a friend
- 👍 Take study breaks together
- 👍 Do physical activities together
- 👍 Contact others outside your social network
- 👍 Make post-HSC plans
- 👍 Reach out for help

Have you recently moved house or family circumstances changed?

When you or your child's circumstances change, there may be many things to consider. It is vital that when changes occur, you notify the school **in writing** as soon as possible. This enables us to provide the correct support to your child and to communicate with the appropriate person, should the need arise. For example, are your details accurate and current if your child becomes ill or is injured while at school?

Think about when you last updated your child's information. For some this may have been upon enrolment, several years ago.

Please consider the following:

- ? Are your contact details and emergency contact details correct and current?
- ? Has your child has received a medical diagnosis which could impact them while at school? (such as a serious allergic reaction)
- ? have you changed address?

To make the required changes to your child's records, we must receive notification in writing from a custodial parent or legal guardian.

Please do not hesitate to contact the office, if further clarification is needed, or email us at: Junee-school@det.nsw.edu.au

Kelly Richards
Business Manager

Science Week

Science week students ran an experiment to determine how many rubber bands they could put on a water mellow before it exploded! We lost count but sure had fun!

Thanks Nic for finding us a watermelon!

Mr David Fellows
Head Teacher Science/Maths

Year 7 English

In term 3, Year 7 English have been studying the novel **Parvana** by Deborah Ellis. In the novel, Parvana, her family live off naan (an Afghan flat bread) and tea. As an empathy activity, on Friday 9 September, Mrs Baxter's Year 7 English class made their own yummy naan.

A special mention of some standout bakers: Jack Macaulay, Archie Marr, Ashton Harbrow, Rhys Seary and Cody Butt.

A huge thank you to Julie Blanchard for her expert help!!

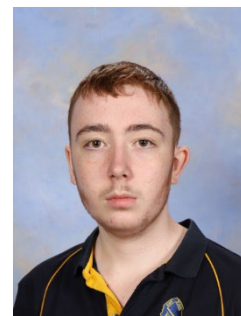

English Teacher

What's happening in Careers?

NEWEST School Based Trainee

Congratulations to Noah who has been successful in gaining an SBAT with the Junee Community Centre. Noah will combine work, school and TAFE studies over the next two years. Noah will work towards the attainment of Certificate III in Business. Thanks for the Junee Community Centre for supporting our school.

Hospitality

The Year 11 Hospitality class recently completed a lengthy practical exam where they had to prepare and serve a slow cooked lamb dish as well as apple galettes with custard. This practical formed part of the assessment for the Using Basic Methods of Cookery Assessment. The students all did an awesome job. The staff were highly appreciative of their efforts as many were lucky enough to secure a portion or two for their dinner. A huge thank you must go to Junee Prime Lamb who very kindly and generously donated the lamb shanks required for the assessment. Delicious.

Mrs Elaine Bunyan
Careers Adviser

Honours Awards

Term 3 (Weeks 7-8) Honours Awards

Congratulations to the following students who received an award(s) this fortnight. Each award contributes points towards the School Honours System.
